Fisher's Decision Against 'Corridor Annexation' Hits Perimeter Moves

In the wake of the decision of Judge Harry M. Fisher in the Cook county Circuit court holding "corridor annexation" illegal, other villages and their legal advisers where similar action has been taken are hopeful some of the cases land in the Illinois supreme court for a final decision.

The case before Judge Fisher involved an annexation move fostered by Hickory Hills in which it annexed Roberts road from 99th st. to 103rd, and then took a 40-acre tract at the southwest corner of Roberts road and 103rd st.

The move was challenged by State's Attorney Benjamin Adamowski in an effort to halt a race among Cook county municipalities to pave the way for future expansion by annexing miles of county and state roads outside their limits.

Some of the communities contend they acted in self defense—to keep other villages from invading them. In this category, it was pointed out, are Orland Park and Tinley Park. Both have annexed many miles of highway.

Now Judge Fisher says municipalities can't annex roads outside of their corporate limits.

Adamowski says other suits similar to the one against Hickory Hills, will be filed by his office, if necessary.

"It is apparent that some building developers are behind this road annexation activity," Adamowski is quoted as saying. "This results in a circumvention of the county's building and zoning laws and sometimes results in slum areas."

Communities in various parts of the state have been making corridor type annexations for years, it was pointed out, but until now apparently no one has gone to court to decide the legality of such moves. There have been instances where suits have been threatened or started but were dropped when the municipality agreed to let the objector out or else had

Mokena School to Give Annual Spring Operetta

Tickets are now on sale for the third annual spring operetta, "Hold That Curtain" to be given by the Mokena grade school on March 27. Tickets may be obtained from any choir member or purchased at the door the night of the performance.

The play is being presented by 7th and 8th grade pupils and is particularly apropos in that it portrays a typical junior high class in the midst of operetta rehearsal which they are presenting to raise money for a trip to Springfield.

The leading characters are being played by Karen Yunker, Dennis Porick, Carol Sherwood, Judy Myszewicz, Jean Kozumplik, Kenneth DeCamp, Steve Smith, and Betty Lehmann.

The dancing chorus is composed of Janet Guether, Ronald Badten, Donna Halfacre, Jerry Sayers, Robert Hellwig, Betty Fiegan, Dorothy Lavezzi, Bill Alexander, Margie Barenz, Gerald Daugherty, Nancy Behen, Paul Brown, Betsy Ihde, and Tom Heinecke.

Members of the singing chorus are Margie Barenz, Janet Guether, Letty Fiegan, Nancy Behen, Dorothy Lavezzi, Donna Halfacre, Betsy Ihde, Bill Alexander, Paul Brown, Robert Hellwig, Jerry Sayers, Ronald Badten and Tom Heinecke.

Glenn Miers is the director. (Continued to page 1)

High School Chemists Face Board Action For Bus Explosion

Organize Boosters to Stimulate Community Spirit at Frankfort

A Booster Club to stimulate hometown spirit is being organized at Frankfort.

Twenty-seven Frankfort men met at Arch Inn to form the organization and officers will be chosen at the next meeting, April 9. It is expected that a charter will be ready at that time for approval by the group.

"We want every man, woman and child who call Frankfort their town to be proud of it," a spokesman for the group stated.

An informal meeting was held several weeks ago at which it was agreed there was a need for a boosters organization. It was determined then there would be sufficient interest among those serving the needs of the community to make a successful club.

A coordinated and well-planned program to create a greater feeling of pride and loyalty among Frankfort residents will be one of the first objectives.

Those backing the effort believe that by joining together the merchants, professional men and those engaged in services will be most effective in stimulating the growth of the community. The Boosters Club, a spokesman said, will perform Chamber of Commerce in larger cities. Altho the first meeting the same functions as does a included a dinner, the organization is not planned as a social club, it was stated.

Proponents of the organization emphasize that it is to form a meeting ground for positive action on pre-determined projects. The programs will be devoted to business without fanfare or entertainment, the organizers say. It also was pointed out there would be no conflict with the aims of any of the existing organizations.

Lincoln-Way Seniors To Present Play Tomorrow Night

The first major dramatic presentation by Lincoln-Way students in the new auditorium, is the senior play, "Roomful of Roses," to be held tomorrow and Saturday night. Curtain time is 8 p.m.

David Cook is director of the play.

The entire set has been made by senior class members.

Tickets for the production may be obtained from any seniors or purchased at the door.

Giraffe's eyes are so constructed that they can see to the rear without turning their heads.

Obscene Phone Calls Annoy Area Residents

Police at Orland Park, Tinley Park and Homewood have received numerous complaints in the past week from residents concerning receipt of obscene telephone calls.

Orland Park authorities also have had reports of attempts made to entice children into cars.

Dealing with morons is always a difficult task authorities agree, and full cooperation is required of the public if the persons wanted are to be picked up and prosecuted.

Orland Park appears to have had more trouble from telephone callers than other places in the area and officials there

Mokena Firemen Plan Dance to Raise Funds

Members of the Mokena Community Volunteer Fire department are busy now with arrangements for their annual dance which this year is to be held Saturday, May 3 at the VFW hall on Wolf road.

A letter has been prepared for mailing to all the people in the community, acquainting them with purpose for which the affair is held.

The only income the department has stems from donations by the public. This money is used to operate and maintain the fire equipment and an inhalator unit. Repairs as well as supplies are costly these days, it was pointed out, so the department needs all the help it can get.

Each letter that goes out contains two dance tickets, as is customary. School children old enough to dance who accompany their parents, will be admitted free.

The pinochle tournament, which is always a part of this annual affair, will be held in another section of the hall. There will be prizes for the winners.

A number of gifts will also be

When the Carl Sandburg high school board meets Monday night, March 24, it is expected to decide the fate of the two boys who jeopardized the lives of a bus load of fellow students when a chemical combination they were transporting exploded. Four students were injured. They are now under suspension.

The incident occurred last Thursday afternoon. The bus was at 135th and Harlem avenue when there was a sharp explosion and a shower of glass. There were 54 students on board.

Investigation revealed that two boys had brought what turned out to be a "bomb" on board the bus. They had taken a piece of sodium out of the chemistry laboratory and put it in a coke bottle. To this they then added water and then stoppered the bottle.

Sodium, a silvery appearing metal, is preserved in the laboratory by keeping it submerged in kerosene. When it comes in contact with water a violent reaction occurs and considerable heat is given off. The more sodium, the greater the heat and the heat, of course, generates pressure.

In this case the pressure became such that it shattered the heavy bottle, causing glass fragments to fly in all directions.

2,500 Register For Open House At Drug Store

Approximately 2,500 people registered for awards during the Open House in Geisler Drug Store, Mokena, last week-end.

First prize winner was Albert Cappel. He received a suitcase.

Winner of the award in the 6 to 12-year-old bracket was Robert Manch. He won a radio.

In the 6 to 12-year-old bracket Joyce Seal was awarded a camera.

A toy gun was won by Richie Bernardin in the 1 to 6-year-old class.

For the under one year old, Susan Horras received a tea set and Robert Homerding, a huge toy rabbit.

Other prize winners and their awards were: Pen-lighter set, Pat Carrol; pencil-lighter set, Danny Dina; holster set, Lowell Noodwang; cuff links, Thomas McLlland; coin purse, Lois Bruhn.

Judges were: Jim Marti, Charles Swanberg, and James Smetana.

Colts officially become horses at the age of five years.

awarded in conjunction with the dance.

Donations for the tickets may be made at the Cooper and Hostert garage, the Geisler drug store or mailed to the department treasurer, Eric G. Book.

Kaskaskia Uses Ancient Fund to Run Schools

The island of Kaskaskia—the only part of Illinois located on the western side of the Mississippi River—is the key to a unique school financing plan which can be traced back more than two centuries.

The inhabitants of this island located across the river from the Menard state penitentiary in Randolph county, boast a school treasury of nearly a quarter million dollars—and they owe it all to the French government which gave their ancestors the ground on which they live.

This treasury of the Kaskaskia islanders is invested in securities which are under the custodial care of State Auditor Elbert S. Smith, a member of the three-man board which administers the island's school fund. The securities are kept in the vaults of Smith's office.

These securities, by law, represent investments in U. S. Treasury notes and real estate mortgages. Only the income from the securities—without the principal being touched—is expended for the education of the Kaskaskia islanders.

One elementary school is operated on the island and it has an enrollment of between 80 and 90. The interest on the school fund's investments, plus the same type of state aid received by other schools, pays the way of the pupils' education.

The tidy quarter-million dollar educational nest-egg of the island had its beginning 215 years ago when the French were in possession of the Illinois country. In the year 1743 French authorities granted the inhabitants of Kaskaskia a tract of land as a common. This meant they were, in common, entitled to the use and benefit of the land. By the Illinois constitution of 1818 the grant of the Kaskaskia Commons was recognized with a stipulation that all proceeds be expended for common school purposes. The Kaskaskia commons—a name it still retains—came under legislative administration in 1851 when the General Assembly authorized the leasing of the commons property with the proceeds to be used for the education of the children and the inhabitants.

This proviso remained in force until 1909 when the legislature again stepped into the picture. Assembly records show that in that year a group of residents of the island presented a petition alleging that a substantial portion of the funds obtained from leasing of their land had been misused, leaving the school system in financial straits.

A law was passed at that time calling for a resurvey and appraisal of the 6,500 acres making up the commons. Three land commissioners appointed by the governor were empowered to sell the land and place the proceeds in the state treasury under the name "Kaskaskia Commons Permanent School Fund." It keeps that name to this day.

The state auditor and treasurer were ordered by the legislature to keep the funds invested in "good" bonds or "good" mortgages on real estate with the income from the investments to be paid for support of the island schools. The provision that the school board could not draw on the principal also was written into the law.

In 1945 the general assembly amended the act to make the state auditor, treasurer and superintendent of public instruction a three-man board of trustees to pass on investments and income derived.

The most recent audit of the fund by Auditor Smith's office

Municipalities Get Sales Tax For December

Holiday buying brought extra revenue to cities and villages participating in the half-cent sales tax melon cut by the state for their benefit.

Total city sales tax collections netted Illinois municipalities almost \$5-million in December the report from the state revenue department shows. This tax was collected in January and was distributed this month. Gross collections for December were \$5,326,246 but the state held out \$318,760 as its commission. There were 981 municipalities participating in the January collections. By March 5 the number of cities on the list had grown to 1,000.

Distribution in this area shows the amounts received this month on December's business: Tinley Park, \$2,274; New Lenox, \$1,524; Mokena, \$929; Frankfort, \$752; Orland Park, \$630; Manhattan, \$565; Markham, \$888; Midlothian, \$2,461; Robbins, \$507; Olympia Fields, \$153; Flossmoor, \$501; Chicago Heights, \$25,163; Blue Island, \$16,956; Evergreen Park, \$28,876; Park Forest, \$13,073; Oak Lawn, \$10,536; Dolton, \$3,132; Hazel Crest, \$793; Oak Forest, \$683; Lockport, \$4,054; and Joliet \$60,801.

Chicago's share was \$2,264,322.

Bremen Seniors to Present 3-Act Comedy March 28

Six girls and five boys of Bremen community high school at Midlothian will take parts in "The Curious Savage," three-act comedy to be presented as the senior play Friday, March 28, at 8 p.m.

The cast includes Karen Tower as Mrs. Savage; Marilyn Maracek, Fairy May; Pat Libbert, Florence; Georgette Zirbes, Mrs. Paddy; Darlene Schmidt, Lily Belle; Sandy Casey, Miss William; Russ Callahan, Jeff; Ron Caffrey, Dr. Emmett; Dave Brown, Titus; Rich Oliver, Hannibal; and Len Marx as Samuel. Prompters, who will also be understudies, announced by Janic Bark, director, are Carole Schara, Joan Cardwell, and Sara Hazelwood.

The plot concerns a loveable and wealthy widow who is considered mad and confined to an institution because of her bent for free spending. In the end she succeeds in proving that her grasping relatives are the ones who need an audit of their marbles.

Romuald Hejna is assistant director.

Tinley to Have Mail Pick-up on Sunday Afternoon

Harry Dean, postmaster, announces additional pickup will be afforded area residents by the Tinley Park Post Office, starting Sunday, March 23.

Mail deposited in Tinley before 4 p.m. and before 3:45 p.m. in the Country Club Hills subdivision, on Sundays, will be picked up and dispatched by 6 p.m.

This additional service is necessary because of the ever increasing amount of mail handled at the post office. It will relieve the handling of an excessive amount of mail Monday mornings.

shows the balance at just under a quarter million dollars. These assets include about \$40,000 in U. S. Treasury notes and about \$180,000 in mortgages on real estate. Approximately \$10,500 is in cash and about \$9,000 represents real estate owned by the Kaskaskia Commons School Fund.

Seek Severance From Chicago Sanitary District

(CNS)—Owners of 320 acres adjoining the westerly limits of Olympia Fields in Rich township filed a petition in Cook County Court Monday to have their area severed from the Metropolitan Sanitary District of Greater Chicago.

The area that wants "out" is bounded by Vollmer road on the north, 207th street on the south, Crawford ave. on the east, and Kostner ave. on the west.

The Chicago Heights law firm of Hayes Robertson and William W. Thorsness filed the petition for disconnection. Signed by 156 property owners and electors in the area, the petition said the metropolitan sanitary district has not extended sewerage or drainage facilities to the area and also hasn't provided sewerage treatment plant facilities.

It was the second such petition filed in County court in the space of a few days. A petition to disconnect Idelwild Country club and lands southeast of it was filed just before the week-end by Attorney Carl W. McGehee.

Both sections are on the border of the metropolitan sanitary district and their disconnection wouldn't leave any other area of the big district isolated, according to the petitions.

Knowing Their Merchants Means Cash for This Trio

The "Know Your Merchants" contest was enthusiastically received by Tinley Times' readers.

The three winners who live in Tinley Park are: 1st prize, \$25, Mary Jane Johnson, RD 1, Box 28; 2nd prize \$15, Mrs. L. Couch, RD 2; and 3rd prize, \$10, Helen Bormet, 80th ave.

Some entries were received from Orland Park.

The contest, as stated in the rules, was judged on accuracy and neatness. Others besides the prize winners had all of the faces properly identified in the correct ads, but the three winners were in the opinion of the judges, the neatest entries.

OBSCENE—

(Continued from page 1) ask the public to help in running them down.

They ask people to report any telephone locations that would be available to these callers during a period when such phones would not be supervised. People also are requested to report any unusual or suspicious action at or near public phones.

Persons receiving obscene or obnoxious telephone calls are asked to call Orland Park police at Fieldbrook 9-3130 immediately. They may also call any member of the police committee of the village board, Paul Voss, chairman; B. A. Blair, Melvin Doogan and Joseph Lebens. Any member of the village board is available, they stated, to discuss the calls in private.

Relative to the report that attempts have been made to entice youngsters into cars. Orland officials have instructed police to make a thoro check of all cars parked in suspicious locations, for any violations of law, day or night.

Parents are asked to discuss the situation with their children and instruct them to tell them immediately if anyone attempts to entice them into a car.

Parents also are advised by authorities to make it their business to know with whom and in whose car their children may be riding at the lunch period and after school, especially in the evening.

Police would appreciate information relative to conversations which might shed some light on the situation. Such reports, they said, would be kept confidential.

Card of Thanks

Our sincere thanks to all our neighbors, friends and relatives who were so kind and thoughtful of us during our recent illness. Also the Rev. Carl Hoeh for his visits and prayers.

MR. and MRS. HILBERT SCHULTZ, Tinley Park

We wish to express our sincere gratitude to the members of the Tinley Park Volunteer Fire Department for their promptness and cooperation when we called them March 9.

MRS. ARTHUR KEUCH and FAMILY, Tinley Park

We wish to extend our thanks to all our friends and neighbors who were so kind to us at the time of the death of our husband, father and grandfather, Anton Pitela.

MRS. MARIE PITELA, CHILDREN, and GRANDCHILDREN, New Lenox.

Mokena Cattle To Be Shown on TV Wednesday Morning

A Hereford bull and heifer will be shown by owner, John Matasovic, of Mokena, on television at 6:45 a.m. Wednesday, March 26.

George Menard, of radio and television, has invited Matasovic, a breeder of fine cattle, to display the animals on his morning TV farm program.

Matasovic is owner of the Universal Welding Supply Company in New Lenox.

Picadilly Weepers were the moustache and long, drooping whiskers worn by fashionable men of England in the 1860's.

In Memoriam

BROWN, Fred.—In loving memory of our dear husband, father and grandfather who left us one year ago March 21.

Long days, long nights you bore your pain, Waiting for a cure, but all in vain.

God saw that you were suffering And the hills were hard to climb, So he closed your weary eyes and whispered Peace be thine.

MRS. ALMA BROWN and FAMILY Marley

SCHIEK, Henry. In loving memory of our father and grandfather who passed away 15 years ago March 18.

Those whom we love go out of sight,

But never out of mind; For they are cherished in the hearts

Of those they left behind.

CHILDREN and GRANDCHILDREN, Mokena.

From twelve noon to twelve midnight a clock's minute hand passes the hour hand ten times.

Water Softeners Need Less Attention

...when you regenerate with Sterling Brine Buttons!

These handy "buttons" of highest-quality salt are easy to use. Just measure them right out of the bag into your water-softener tank. They dissolve completely, so there's never any residue left to flush out after salting. Best of all, with Sterling Brine Buttons you regenerate less frequently!

Economical. Because fewer regenerations are needed, a bagful of Sterling Brine Buttons goes a long way. There's no waste, either. And, most important, these pure, concentrated "buttons" of salt cost so little.

Softeners Work Better. Sterling Brine Buttons are made for

either single- or double-tank softeners. They're just the right size, shape and density to dissolve at a uniform rate. And, unlike loose salt, they prevent caking in your softener. Thus, Sterling Brine Buttons keep your softener at peak efficiency—longer!

*There are other types of Sterling Water-Softener Salt available. Ask your dealer or soft-water service man to recommend the type that's best for your softener.

THE SOCIAL WHIRL

Weddings, Engagements, Clubs, Women's Activities

Schofield-McCullough Nuptials Solemnized In Frankfort Church

The wedding of the former daughter of Mr. and Mrs. Clyde Schofield, of Frankfort and William McCullough, son of Mr. and Mrs. Joseph McCullough, of Joliet, took place recently in the Frankfort Methodist church.

The double ring ceremony was officiated by the Rev. Ben Day.

The church was decorated with white satin bows on pews

honor. All of them wore coronet hats of emerald green with face veils.

The flower girls, Ann Edgington and Marcia Schofield, of Danville, nieces of the bride, wore waltz length dresses of white chiffon over white taffeta, with emerald green velvet cummerbunds. They carried white baskets tied with green ribbon.

Michael Hedge, of Joliet, cousin of the groom, was ring bearer.

Dollar Growing Project of Orland Junior Woman's Club Is Success

The February meeting of the Orland Park Junior Woman's club was held March 10, in the home of the president, Mrs. Oscar Enk.

Reports were given on the "Make Your Dollar Grow" project, and it was termed a financial success. Every member had participated.

The nominating committee presented the following list for officers to be elected in April: First vice president, Mrs. James Whiteford; 2nd vice president, Mrs. Henry Rafacz; treasurer, Mrs. George Schilling.

The oil painting was awarded to Laurie Kroeger; the doll and wardrobe to Mrs. Orville Schmaedeke; and the cup and saucer to Mrs. Marvin Rauch.

Guests were Mrs. Orville Schmaedeke, contact chairman, and Mrs. Earl Enders.

Alfred Reuss showed colored slides of the birds of the Palos area and told of the results of his bird-banding experiences.

Hostesses were Mrs. Ivo Mersmann, Mrs. Victor Ebeling and Mrs. William Wilson.

Tinley Woman's Club to Hear Home Economist

Miss Ruth Williams, home economist, will give a cooking oil demonstration at the meeting of the Tinley Park Woman's club on Wednesday, March 26, at 1:15 p.m., in Central school. She will be assisted by Mrs. A. P. Mancl, a club member.

Past presidents and new members will be guests of honor.

Mrs. Walter Fierke will be chairman of hostesses.

Retarded Kids to Benefit From Band Concert

Proceeds from a band concert being presented by the combined bands of the Evergreen Park and Oak Lawn high schools on Saturday, March 22, will be turned over to the Suburban Southwest Association for Mentally Retarded Children for their building fund.

The program will start at 8 pm. in the Evergreen Park High school.

Tickets may be obtained from the following: Mrs. L. Zimmy, 6542 Riverside drive, Tinley Park Mrs. O. Homerding, 143rd and Wolf rd., Orland Park, Mrs. S. Hall, 7818 W. Park Lane, Palos Park or at the door.

The association operates a school for trainable mentally handicapped children, renting rooms from the First Congregational Church in Oak Lawn, 9411 S. 51st ave.

There are 33 children enrolled in the school at the present time with three teachers, all of whom have teachers' certificates, and the principal, Mrs. Ruth Moncrieff, has the necessary degrees and credits to teach these children in all type schools.

WILL SHOW FILM

A film, "Demetrius and the Gladiator" will be shown in the Central school, Tinley Park, at 7:30 p.m. Sunday, March 23.

Stephens College Alumnae to Elect Officers March 24

The Chicago South Suburban Stephens College Alumnae club will elect officers at the meeting, March 24, in the house of Mrs. H. P. Ankerson, 69 Elm, Park Forest. All alumnae in the area are urged to attend. After the business meeting, Dr. Paul S. Weiner will speak on "Psychology and You." Members are reminded to bring a dress for the clothing exchange.

Royal Neighbors Hold Social Meeting

Tuesday evening the Royal Neighbors held their social meeting in the American Legion Hall with Oracle Nettie Kunz presiding.

Juanita Semlow was voted into the Camp as a new member.

The following members were reported to be ill, Amanda Nielson, Alma Jahrmardt, Birdie Mancke and Gertrude Jacobs.

It was voted to send a contribution to the American Red Cross.

The birthday song was sung to Edna Mason, Erna Wallin, Adele Pottberg and Edna Clark. Violet Hultsch won the award of the evening. Refreshments were served by the hostesses of the evening: Lulu Anfield, Doris Barrowcliff and Edith Arnold.

George Abbes Wed 40 Years; Greet Friends

Mr. and Mrs. George Abbe of 187th and Wolf road, Mokena, celebrated their 40th wedding anniversary Sunday afternoon and evening when 80 relatives and friends gathered in their home, including his mother, Mrs. Hulda Abbe of Mokena.

Mr. Abbe and his wife, the former Bertha Rauch of Tinley Park, have lived in Mokena for the past 33 years where they have farmed.

Gifts of flowers, cards and a purse of money were presented the honored couple.

Dinner was served from tables decorated with flowers and a two tiered anniversary cake decorated with bells on the top.

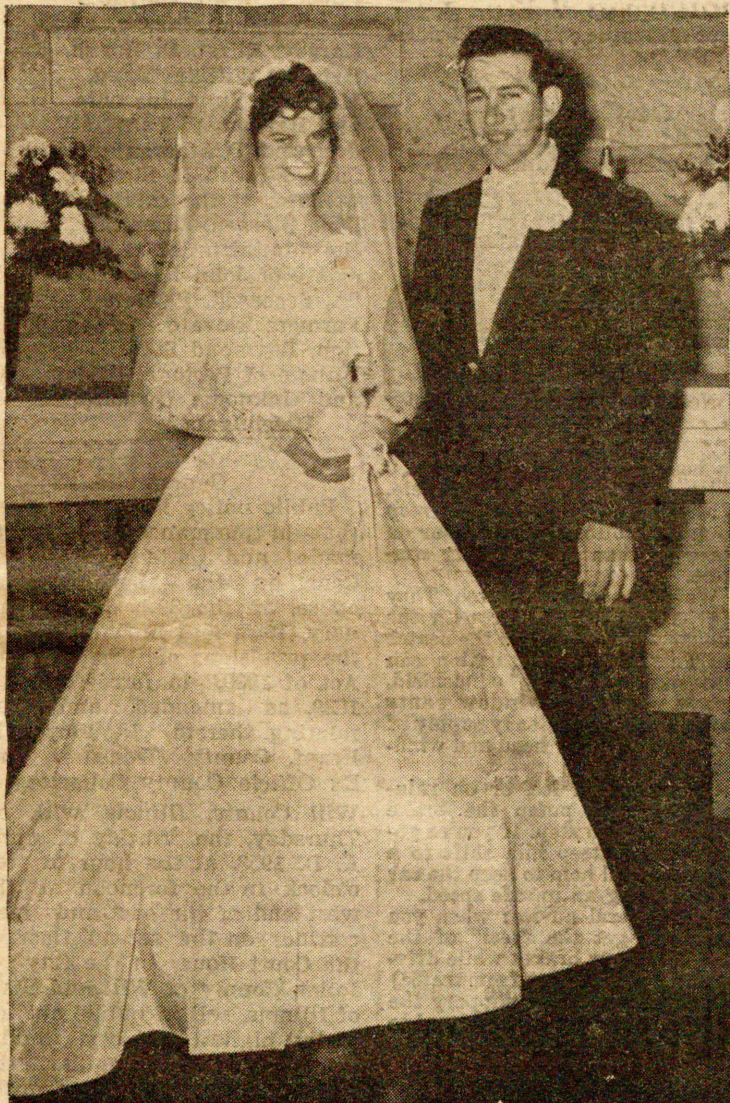

FHA Style Show at Sandburg to Have Parisian Setting

A Parisian street scene will be the setting for the annual Future Homemakers of America style show which will be held March 28 in the Carl Sandburg high school gymnasium at 8 p.m.

Garments made in the high school homemaking classes and adult classes will be modeled by approximately 100 girls. Pattern numbers will be announced for the benefit of home sewers and the girls will model their garments during refreshment hour at the close of the show.

Tickets may be purchased at the door.

Diamonds, sapphires, emeralds, rubies and opals are the five recognized precious stones.

MR. AND MRS. WILLIAM McCULLOUGH

(Photo by Robert Porter)

and vases of white palms and ferns.

Serving as candle lighters were Bruce Schofield and Gayle Edgington, nephew and niece of the bride.

Miss Donna Miller played organ music for the ceremony.

Mrs. June Custer, of Monmouth, aunt of the bride sang "Because", "Thru the Years" and "The Lord's Prayer."

The bride, escorted down the aisle by her father, wore a gown with a rosepoint lace fitted bodice and scalloped scoop neckline, which was adorned with seed pearls. The bodice of the long-sleeved gown was accented with a taffeta bow. The bouffant skirt was of Bombazine taffeta with a front princess panel insert of rosepoint lace. The Cathedral train was over a Dior hoop. Her veil was embroidered with iridescent sequins attached to fingertip silk illusion net. She carried a white orchid on a Bible.

Miss Jayne Schofield, served her sister as maid of honor. She wore an emerald green gown of nylon chiffon over taffeta with fitted bodice accented with draped Sabina neckline of Nile green, ending in a flying panel.

Bridesmaids were the Misses Jo Ann Weimblund, Jo Ann Smitheon, and Darlene Wahl, of New Lenox. They wore dresses identical to that of the maid of

The groom's attendants were Albert McCullough, brother of the groom, who was best man, William Arnold, of Joliet, Paul McCullough, brother of the groom, and James Schofield, brother of the bride.

The bride's mother wore a blue crepe dress with matching accessories and wore a white gardenia corsage.

The groom's mother wore a beige lace dress with matching accessories and wore a white gardenia corsage.

Mrs. Lila McCullough, of Mill Shoals, grandmother of the groom attended the wedding.

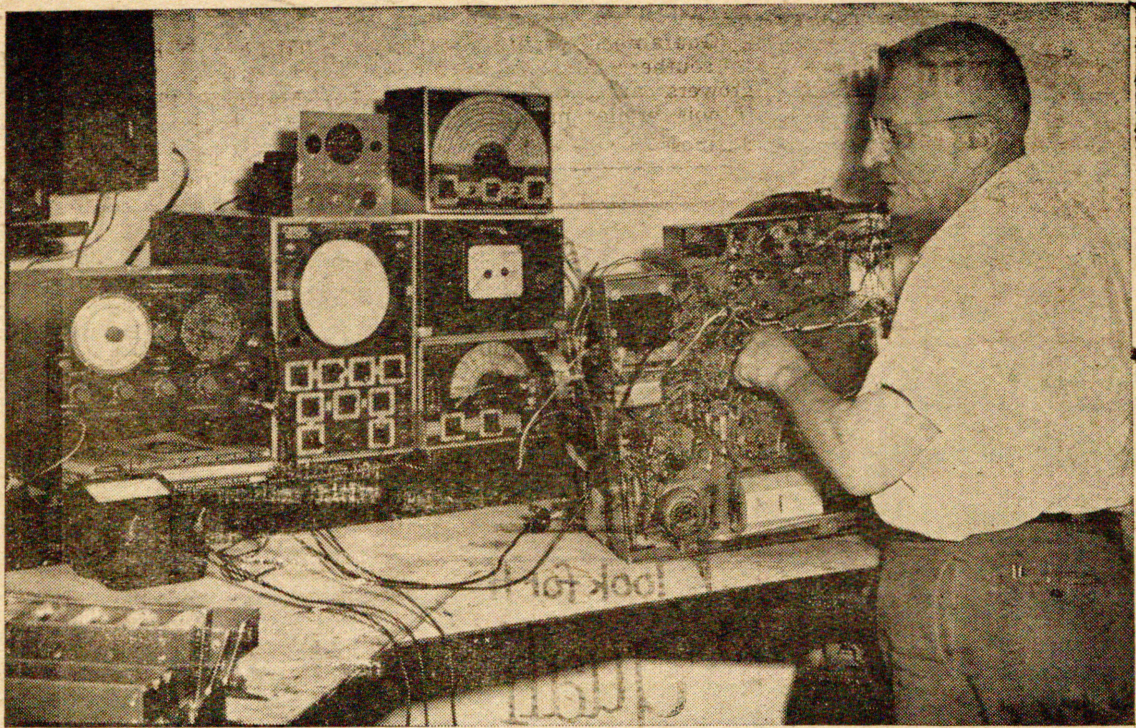

About 250 guests were present for the reception held in the church parlors. Serving refreshments were the Misses Jeanette Sievert, Jackie McGinnis, Norma Hainack, Sharon Custer, Judy Hansen. Mrs. Maurine Edgington, of Danville, sister of the bride, cut the 4-tiered wedding cake.

Wedding guests were from Frankfort, Danville, Rossville, Armstrong, Fithian, Savoy, Ashkum, Monmouth, Chicago, New Lenox, Mokena, Joliet, Lockport, Lemont, Orland Park, and Fairfield, Ill.

The bride has been employed as a secretary in Chicago and the groom by a bakery in Joliet. The couple is living in Joliet.

LOOKS COMPLICATED, DOESN'T IT? But not if one knows his business as does Lloyd E. Tomany, Sr., who has opened a new radio, television and service store at Maple st., and U. S. 30 in New Lenox, in the Hoeffer Bldg., which was only recently completed.

Tomany got his basic training in electronics at the RCA Institute and has worked for RCA

and Motorola for the past 13 years. He also had his own store in Chicago before moving to New Lenox in 1941. For the past four years he has been doing part time service work out of his home. He has a complete line of parts and will also sell radios, TV, hi-fi sets and tape recorders. (Robert Porter photo)

SCIENCE IN YOUR LIFE

Cough It Up!

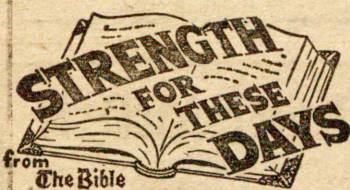

The cough mechanism is essential to life, but it can also be a nuisance—as anyone with a heavy chest cold knows. Doctors divide coughs into “productive” and “unproductive.” Productive coughs push irritants and mucous up and out of the lungs or bronchial tubes.

Unproductive coughing may be too weak to do this, or may result from throat irritation (such as smoker's cough), or reflex cough without reason. Unproductive coughing is tiring and harmful. It further irritates the membranes, occasionally ends in gagging or, rarely, a fractured rib. For the seriously ill person, the fatigue of useless coughing may weaken ability to cough adequately when there's really something to cough about.

Doctors prefer to stop unproductive coughing, limit excessive productive cough and keep us comfortable and untired. Most of the older remedies combined an expectorant with a narcotic. The former was designed to thin heavy mucous and make coughing easier, the latter to limit the cough reflex.

Unfortunately, narcotics to soothe the cough usually made patients drowsy; worse, they may cause addiction. Present day research has found non-narcotic cough medicines such as Toclase, which act directly on the cough reflex center to suppress unproductive cough. Toclase is one and a half times as effective as codeine, and one form is combined with an effective expectorant. The drug may be taken in tablet form, a boon to people who can't carry around a bottle of cough syrup.

And a tip for the cough season: keep steam-heated air moist with water pans on radiators and pop an occasional hard candy in your mouth.

... be ye transformed by the renewing of your mind, that we may prove what is that good and acceptable and perfect will of God.—(Romans 12, 2.)

In our busy days we can get so involved that worrisome details crowd the Lord out of our minds. Then we should stop and even in an instant of quiet meditation and communion with Our Heavenly Father, renew our soul through the inward flow of His love.

“What's the ground rules?”

Molasses Cookies Rich In Nutrients

Cookies are always popular, but sometimes they do not carry their full share of protective nutrients. The molasses cookies shown here have a sweet taffy flavor loved by children, and they also have plus food values from the unsulphured molasses, dried fruit, cereal and milk ingredients.

The crinkly topped cookies, called the Big Four, take their name from the four basic food groups suggested by the U.S. Department of Agriculture as needed daily. These four food groups include: fruit and vegetables; meat, poultry, fish and eggs; milk; bread and cereals. After getting foods from these basic groups daily, one supplements the diet with sweets and fats.

Big Four Cookies

- | | |
|------------------------------|--------------------------|
| 1/3 cup shortening | 1/2 teaspoon salt |
| 1/3 cup sugar | 1/4 teaspoon soda |
| 1/2 cup unsulphured molasses | 1 teaspoon baking powder |
| 1 egg | 1 cup grated carrots or |
| 1/4 cup dry skim milk solids | grated raw sweet |
| 1 cup sifted flour | potatoes |
| 1/4 teaspoon each, nutmeg | 1/4 cup raisins |
| and cinnamon | 1/4 cups rolled oats |

Cream together shortening, sugar, unsulphured molasses and egg. Sift together dry skim milk solids, flour, spices, salt, soda and baking powder; stir into creamed mixture. Add grated carrot or sweet potato, raisins, and rolled oats; mix well. Drop by level tablespoons on a lightly greased cookie sheet. Bake in a moderately hot oven (400° F.), 10 minutes.

YIELD: 6 dozen cookies.

Tips on Touring

By Carol Lane

Women's Travel Authority

Winter Driving Tips

When you drive in snow or ice, your reflexes are all right. But how about your car's?

Its reflexes slow down. It needs more time to stop, start or turn—so allow for it. A few seconds can add a lot of safety to your driving. Even with reinforced tire chains, your car stops no faster at 25 miles

an hour on glare ice than at 50 miles an hour on dry concrete. With special winter tires, you stop no faster at 15 miles per hour on glare ice than at 50 on dry concrete.

Watch your reflexes, too. They can be dulled in a car with the windows shut tight and the heater on. This lack of ventilation can also mean a foggy windshield. Leave your side window vents partly open for a steady supply of air—to keep your head and windshield clear.

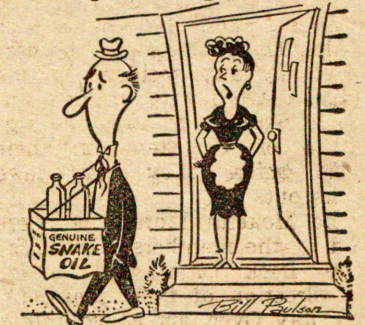

On snow and ice, or on rain-swept streets, pump the brake pedal gently to stop. If you're going down a steep hill, shift to a low gear; it'll help to keep the car from gaining an unsafe speed.

Best general advice: when you start out, get the “feel” of the road. Try your brakes while driving slowly (and away from traffic) to find out just how slippery the road is. Then adjust your speed to road and weather conditions.

6 In Race For Sandburg High School Board

There are six candidates to date for the three places to be filled on the Carl Sandburg high school board in the regular school election April 12. Saturday, March 22, is the last day for filing in school elections and Tuesday, March 25, the last day for withdrawing.

Three of the candidates for the Sandburg posts are choices of the Community Caucus, an organization made up of delegates from various groups and organizations in the Sandburg districts, and the other three are on their own.

The three nominated by the caucus at the meeting held for the purpose last Monday night in the high school, are:

William R. Blew, 143rd and 79th ave., Orland Park, incumbent; Mrs. Helen Hatch, 7925 W. 91st street, Hickory Hills, and Gordon Bendix, 138th and 90th ave., Orland township.

The other three are, George Lutz, 7900 W. 98th st.; Joseph Cammisio, 7820 W. 92nd st., and Paul Flynn, 8620 W. 92nd st. All are residents of Hickory Hills.

Can Still File

There were 72 delegates present at the nominating meeting of the caucus group Monday night. Under its by-laws the caucus is pledged to support the nominees of the group. A spokesman declared that a number of persons were considered before the nominating committee finally arrived at a choice for recommendation to the delegates.

To become a candidate for a school board a person must be a citizen, a resident of the school district and file a nominating petition carrying the signatures of at least 50 voters.

Brief biographical sketches of the candidates will be presented in this paper later. There may be some more candidates by Saturday and there could be fewer after next Tuesday.

The caucus group hopes to get out a substantial vote at the coming school election.

There are some 10,000 registered voters in the Sandburg district, a caucus spokesman said but last year only 2,201 of them turned out to cast a ballot in the school election. Of this number 1,084 were cast in the North Palos area; 418 in Orland township; 567 in Palos Park (including Palos Heights); Worth 75 votes and Holstein 57.

Sportman's Club Will Welcome New Members

The Frankfort Sportsman club has room for some new members.

The 20-year old club meets the Fourth Tuesday of each month at 8 p.m. in Miller's Corner, 183rd st. and route 42-A. The next meeting will be held March 25.

Members are invited to bring a friend and all prospective members are welcome. Refreshments will be served.

The 1958 program includes a club house on 191st, east of route 45, trap shoot, pistol range and hi-powered rifle range.

After April 1, new members must pay an initiation fee.

The club has many other activities besides hunting, including summer sports at Lake Will, Wilmington.

Tropical birds are especially susceptible to respiratory infections during winter months and should be protected from draughts, warn veterinarians.

75% of the new freshmen admitted to Illinois Tech, Chicago, were in the upper quarter of their high school graduating class.

Saturday Last Day to File for School Boards

The last day for school board candidates to file nominating petitions is Saturday, March 22. The election will be held April 12.

Three members of the board of education, district 146, Tinley Park, are running for re-election. The incumbents are Donald Hollingshead, John R. Dotis, and Hal Kent. No other petitions had been filed up to press time.

The two incumbents of the Bremen Community High school board are candidates for re-election. They are William Libbert, of Tinley Park, and Steve Otrusa of Posen. Another candidate who has filed a petition is Arthur Jennrich, of Midlothian.

Besides electing school board members, voters in some local districts will also vote on increasing the educational tax rate.

District 160

In school district 160 in the Country Club Hills subdivision, residents will be asked to approve assessed valuation establishing the maximum tax rate for educational purposes at \$1.38 per \$100 instead of \$1.17, the maximum tax rate otherwise applicable to the next taxes to be extended.

Under the proposed rate it is estimated that the approximate amount of taxes extendable for educational purposes is \$16,399. The approximate amount of taxes extendable under the existing rate is \$13,904.

A hike in the tax rate for transportation purposes is also being sought in school district 160, in the special election to be held April 12.

The board is requesting it be established at .10 cents per \$100 assessed valuation, instead of .02 per cent, the maximum rate otherwise applicable to the next taxes to be extended.

Under the proposed rate, \$1.188 would be extendable for transportation purposes, instead of \$238, the approximate amount to be raised under the existing rate.

The polling place is the school house located at 18400 S. Central ave.

A board of education will also be elected in district 160.

District 140

Residents of school district 140 will vote in the Kirby school, 173rd st. and Ozark ave., to establish the maximum tax rate for educational purposes at \$1.34 instead of \$1.13, the maximum rate otherwise applicable to the next taxes to be extended.

Under the proposed rate \$22,742.86 would be forthcoming. Under the existing rate the maximum amount that can be raised is \$19,177.

One school director will be elected also in district 140.

Mokena Library Gets 300 Books

A new shipment of 300 books from the Illinois state library was received by the Mokena library this week. The books are now on the shelves and include 200 books for children and teenagers and 100 books for adults. These books may be borrowed by any resident of the Mokena area, with children under 16 required to have the signature of a parent on their cards before they may take books out.

The Mokena Library is operated by the members of the Mokena Book Club who, under the direction of their president, Mrs. Ray Over, act as volunteer librarians. The library is located on Front street, two doors west of Wannemacher's store. There is a 5c weekly charge for Mokena Library books, for adults, but no charge for either

Set Hearing On Bus Service for Orland Park

(CNS) Hearings for expanded bus service between southwest Cook county and Chicago's loop are scheduled to open March 28 before the Illinois Commerce Commission.

The case concerns the petition of the Suburban Transit System Inc. for a certificate of convenience and necessity to operate a bus route between Orland Park, Palos Park, Palos Heights, Worth, Chicago Ridge, Oak Lawn and downtown Chicago.

The March 28 hearing will start at 10 a.m. the ICC hearing room on the 19th floor at 160 N. LaSalle st., Chicago.

Suburban Transit System now operates between Stickney, Cicero, and Chicago. The present line ends at 63rd street and Cicero avenue in Chicago.

Under the proposed plan, commuters would be able to transfer from the Stickney-Cicero route at 79th street and Cicero avenue, Chicago, and continue to Chicago's bus terminal at Randolph and Clark streets.

A one way cash fare from Orland Park to Chicago would cost 85 cents, a ten ride ticket between the two points would cost \$7.50 and a monthly ticket good for 54 rides would cost \$35, according to William Biggers, general manager of the bus line.

Fares between Chicago and suburbs closer to the loop would be slightly less, Biggers said.

In Chicago the buses would operate on Cicero avenue, Cermak road, Ogden avenue and Washington boulevard.

Biggers said three round trips a day are planned—one early in the morning, one late in the morning, and one during the afternoon rush hour.

Biggers added that commuters must now transfer several times coming in to the loop from the southwest suburbs.

Breaks Leg In Fall From Train

Gustave Kuchta, 50, of 197th st., and 115th ave., Mokena, suffered a double fracture of the left leg when he fell from a Rock Island train at Mokena Friday afternoon.

According to the report, Kuchta slipped from the steps of the train when it lunged forward after coming to a stop, throwing him to the ground. He had made a previous attempt to alight when the train started to move. It was stopped by the conductor pulling the cord.

Kuchta was attended by Dr. P. T. Demus and then removed to Silver Cross hospital by Alex Korneich, of Mokena, a patient in the doctor's office at the time.

Scientists now can watch and measure growth in the living cell with a new kind of X-ray machine developed by a California scientist.

adult or children's books from the state library collection.

The library is open every Wednesday night from 7:30 to 9:00. New residents of the area are invited to come in and apply for library cards. There is no charge for the cards.

Tinley Personals

Mr. and Mrs. Frank Tyrott, daughter Janice and Carl Gallina were dinner guests, Sunday of Jean Llewellyn in Chicago.

Karen Goldstrom celebrated her fifth birthday Saturday with a party for seven little girls. All the usual party fare was enjoyed. On Sunday, Mr. and Mrs. Harry Atchison, grandparents, and Mrs. Clarence Parker, great grandmother of little Karen, enjoyed a family dinner. Karen is the daughter of Mr. and Mrs. Walter Goldstrom.

Many friends of Mrs. Ursula (DeVos) Roland, former Tinley Park resident, believe they should pay tribute to her for her faithful service as nurse in St. Francis hospital, Blue Island. These friends of Tinley Park who have been patients in the hospital found her to be a great comfort to them through her gentle, kind and efficient nursing care of them.

Mrs. Roland is starting her 18th year as a nurse in St. Francis hospital and praise her for her devotions of caring for the ill. She now lives at 13437 Greenwood ave., Blue Island.

Colored motion pictures of European countries will be shown by Henry Bettenhausen at the Methodist Men's meeting this coming Tuesday, March 25, at 7:30 p.m. in the Methodist church. These pictures were taken by the Bettenhausens on a recent trip to Europe.

Becky Mahan celebrated her fourth birthday, March 17. At her birthday party, there were 12 of her small friends. It was a celebration long to be remembered, complete with games, refreshments and a beautiful birthday cake. Little Becky has been staying with the Lowell Farquhar family.

Mr. and Mrs. W. W. Kester are the proud grandparents of a lovely little boy, Steven Michael who was born Feb. 20 to Mr. and Mrs. William Kester who now reside in Lyons.

The Moochers club will celebrate their third birthday of the year on March 24 at the home of Mrs. Betty Siernacki of Sayre ave.

Marine Pvt. George D. Hutchinson, son of Mr. and Mrs. Milton F. Carr of 17604 65th ave., has completed his combat training at Camp Pendleton, Calif.

The Vloris Beals family are proudly displaying the new arrival, Thomas Jay who was born March 7 in St. Francis hospital, Blue Island. He weighed ten pounds nine ounces. Mrs. Carrie C. Willard of Chicago, Mrs. Beals' mother, has been staying with the family, taking over the many duties as only a grandmother can.

The Rev. C. Earl Finney, and family has moved to 15306 Myrtle ave., Harvey. His telephone number is, EDison 3-1773. The Rev. Mr. Finney wants all his wonderful friends to know that his health is improving in a fine way. He states he has preached for the Kankakee Baptist church three Sundays and will be in a revival with the Rev. Wayne Angel, and the Calumet City Baptist church, April 6-13. He requests prayers of his many Christian friends, as this will be a test concerning his health.

Mr. and Mrs. George Campbell of Hamlett, Ind., were weekend guests of Mr. and Mrs. Don Hammack.

Mr. and Mrs. Julius Osberg were Sunday guests of Mr. and Mrs. Richard Barr in Harvey.

Mrs. Jerry Welsh entertained members of the Willow Lane club last week. The group has decided to see "Around the World in 80 Days," giving May 16 as the date. Also entertained by Mrs. Welsh was the Parkside Ladies club. They too plan an outing in the near future. Demonstration was enjoyed at the Welsh home Thursday evening of last week.

Cubmasters, assistant cubmasters, committeemen, den mothers, and den chiefs, for 6,000 Cub Scouts in 37 communities of Illinois and Indiana will participate from 10:30 a.m. to 4:00 p.m. Parents may also attend.

There are 1,000 men leaders, 600 den mothers, and 400 Boy Scouts and Explorers as den chiefs for 12 Cub packs of Pokagon Trails Council.

Pow-Wow training will be in handicraft, ceremonies, games, and den chief conference, according to Robert F. Duncan of Schererville, general chairman of the Pow-Wow and leadership training chairman of Ashkum district.

Each pack is asked to present a handicraft project, ceremony, and game, and develop handicraft projects or monthly theme ideas to be shown on the midway.

The handicraft section will cover training in crafts related to advancement, monthly theme and den furnishings. Stunts, skits and songs for Dens and Packs will be included in the ceremony section. The games section will provide training in playing and directing indoor and outdoor games for dens and pack.

The den chief conference will be for den chiefs and prospective den chiefs, with training in their responsibility for den meetings, games, and stunts.

The midway will feature games, which can be played by one or two persons, like ring toss and box hockey, and ex-

hibits of den doodles and den room equipment.

CUB PACK 272

Thru the efforts of Cubmaster Charles E. Moore, Jr., 95 Cubs, parents and den mothers were able to witness first hand the many advantages of team work in action.

On March 8, two busses were chartered and the pack went to watch the polo games at Chicago Avenue Armory. Tickets were obtained from the Indoor-Outdoor Polo Corporation.

The village hall was the scene of a parent-leader meeting for the continuing benefit of the pack. A film on Cub achievements and electives was shown by Mr. Radeke of Pokagon Trails Council.

Coffee and rolls were served. Scout-O-Rama tickets are available now. There will be two performances, 2:00 p.m. and 7:30 p.m. Saturday, April 19, at the Civic Center, 5825 Sohl ave., Hammond, Ind. For information and tickets please call KE 2-7717 or KE 2-2997.

SW Conference High School Boards to Meet at Reavis

The Reavis high school board has extended an invitation to all other boards of member schools in the Southwest Suburban conference to attend a dinner at their school, next Tuesday night, March 25. All seven members of the Lincoln-Way board and Supt. A. Hunter Chapman plan to attend.

In addition to the regular athletic schedules in all sports, the Southwest Suburban conference sponsors many other activities. Some of these are: an annual music festival, track meet, wrestling tournament, science and math fair, speech and dramatics contest, three joint student council meetings, Girls' Athletic play day and home economic meetings.

Palos Store Adds Line of Men's Suits

Willard Blowney, owner of Bud's store for men, 12224 S. Harlem ave., Palos Heights, announces a line of men's suits has been added to the stock of men's wear.

This is the only store within a wide suburban area to sell men's suits.

The store had a full line of haberdashery before the suits were added.

Phone, Coin Box Taken From Rock Is. Depot at Mokena

The pay telephone at the Rock Island depot in Mokena was torn from the wall last week-end and taken were the phone, coin box and ringer.

The report was made to the sheriff's office by the Illinois Bell Telephone Co.

Because of similar attacks at the Tinley Park depot, the telephone company installed a glass enclosed booth on the platform several months ago.

In full view on the lighted platform, there have been no instances of vandalism or theft since its installation.

Boy Breaks Ankle in Fall From Haymow

Ronald McDonald, 16, of 80th ave., Lincoln Estates, has a fracture of the right ankle as a result of a fall last Sunday, March 16, from the haymow on the Walter Rainford farm, on 80th ave., northeast of Frankfort.

He was taken first to Silver Cross hospital by his stepfather, Glenn Swinson for x-ray and then discharged on instructions from his physician. Ronald was taken to the Hedges Clinic at Frankfort then, to have the fracture set. He is now confined to his home.

On a hunting watch the face is protected by a metal case.

National Tea Buys Del Farm Food Stores

H. V. McNamara, president of the National Tea Co., and Theodore Meindl, Sr., president of cago, today announced that National Tea Co. has purchased all of the Del Farm capital stock. The purchase price was not disclosed.

Del Farm Food Stores will be operated as a separate food chain and a wholly owned subsidiary of National Tea Co. In making the announcement Mr. McNamara and Mr. Meindl stated that there would be no changes either in the name of the Del Farm Stores or its policies, and that all personal of the Del Farm organization will remain in their present positions, since transfer of ownership is the only change anticipated by National Tea and Del Farm management.

Mr. Meindl, who will remain general manager of the Del Farm subsidiary, said that Del Farm will soon embark on an expansion program and two new stores already in the planning stage before negotiations with National Tea were started, will be opened as Del Farm Stores as originally planned.

Del Farm operates 12 stores in the city of Chicago at the present time. The local chain was founded by Theodore (Ted) Meindl, Sr., originally starting with one store and building what has become one of Chicago's most successful local food chains.

He that brings sunshine into the lives of others cannot keep it from himself.

HIGH SCHOOL—

(Continued from page 1)
Alex Kroll, of 159th and Ridge land avenue, suffered a wound on his right hand that required eight stitches to close.

Frank Smutney, of 159th and Harlem avenue and David Keuch, of 159th and 84th avenue were cut about the face and Marjorie Kimmel, of 161st and 84th avenue, got a piece of glass in her right eye. All four students have Tinley Park as a mailing address.

The bus driver, Frank Greenhoe, stopped immediately after the explosion and telephoned Supt. W. O. Fisher. Fisher drove to the scene and took the three boys to a medical clinic for treatment. Miss Kimmel didn't realize her eye had been injured until the next morning. Then she began to experience discomfort and her parents took her to their physician.

Supt. Fisher declined to release the names of the two youths said to be responsible for the incident. As far as can be learned the boys did not expect the mixture to explode on the bus. They wanted to take it home but appeared to be somewhat vague as to why.

The terrific interest displayed today in missiles, rockets and space travel has brought added worries to science teachers, not only in high schools but in colleges as well.

Experimenting with chemical mixtures frequently leads to great benefits to mankind, it was pointed out, but on the other hand they can cause accidents with frightful consequences.

Valuations Up In Bremen Twp. Rayson Reports

The total equalized assessed valuation for Bremen township shows an increase of \$8,106,077 over 1956 according to figures released by Leland H. Rayson, town assessor.

The total equalized valuation Rayson said, covering all personal as well as real property in the township is \$64,750,318. This figure is 14.3% higher than the total for the year previous.

The total equalized valuation and the amount sought by the various taxing bodies to meet their needs are principal factors in determining the tax rates.

A person's taxes are determined by multiplying the equalized assessed valuation of the property involved by the tax rate.

The taxes to be paid this year are based on the valuations fixed for 1957. The equalization factor established for Cook county by the state department of revenue for 1957 is 1.44 as compared to 1.40 for 1956. The factor employed is supposed to bring the assessed valuation up to market value.

The increase in valuation in Bremen township is due not only to new home building but also to the fact that new buildings and other improvements are put on the tax books by Assessor Rayson.

Rayson, who this year is a candidate for congress on the Democrat ticket, pointed out that Bremen is one of the six leading townships in the county so far as building permits for new construction is concerned.

New Digest of Traffic Laws Now Available

Publication of a 442-page book on the legal aspects of traffic law enforcement titled "Know the Law" has been announced by the Traffic Institute

of Northwestern university and many police departments are buying them.

The new volume is a collection of selected articles which have appeared in the "Know the Law" section of the Traffic Digest & Review, monthly magazine of the Institute.

Co-authors of most of the articles are two members of the Institute's legal staff, Robert L. Donigan, general counsel, and Edward C. Fisher, associate counsel. Other contributors include law professors, judges, and association officials.

Regarded for many years as a valuable source of legal information concerning all phases of traffic law enforcement and the administration of justice in traffic cases, the "Know the

Law" articles appeared first in the "Traffic Review" and the "Traffic Digest", predecessors of the "Traffic Digest & Review." Publication of selected articles under one cover was undertaken by the Traffic Institute in the belief that making the material available in permanent form would provide a much needed reference volume for judges, prosecutors, law enforcement officials and lawyers.

At age 20 we don't care what the world thinks of us; at 30 we begin to worry what it thinks of us; at 50 we find it wasn't thinking of us at all.

High school graduates have a lifetime income of \$165,000, against \$116,000 for non-grads.

Outside Group Talks of Joining Tinley Park

By ANNE RODGER

Interested in annexing to the village of Tinley Park, a group of residents on the east section of the Southlands subdivision approached trustees at Mondays meeting for some assurance on what might be expected in the way of village services should this action be taken.

Spokesman for the group, Peter Miller, told how the first three blocks in the subdivision, known as the McIntosh homes, had been canvassed with favorable results.

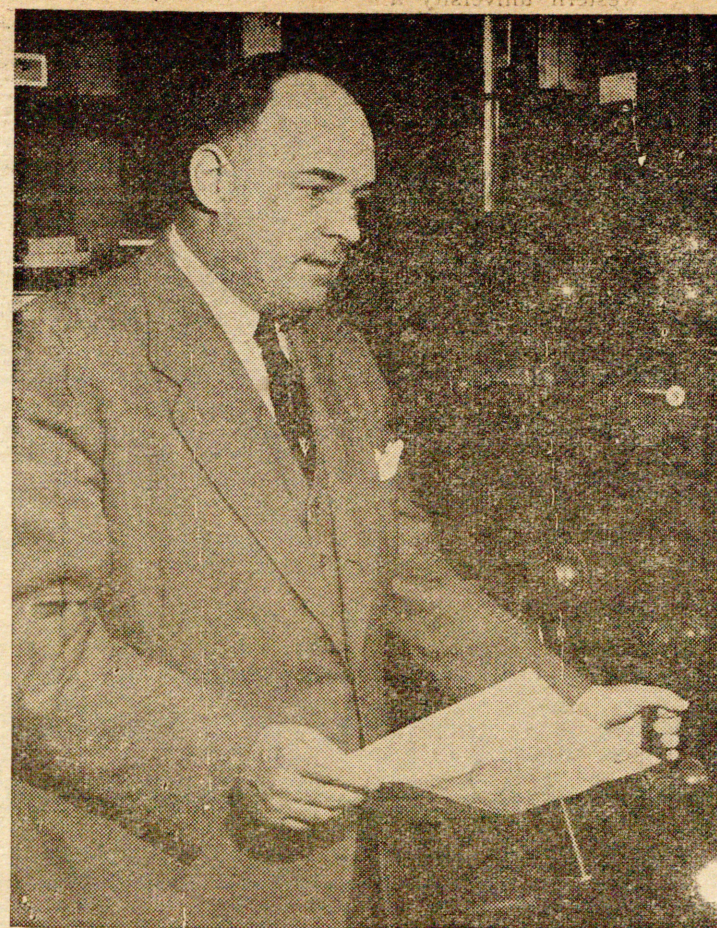

Participating in the survey made of the area and present at the meeting Monday were, Ray Brumleve, Hugh Rankine, Gene Waldrop, and Bud Baldrich.

Of a total of 34 residents, 27 were receptive to the annexation, Miller said.

Miller wanted assurance that certain services would be offered including police protection, street lights, street maintenance, water and sewers.

Village Attorney Robert Biederman, on examining a map of the area presented by the group and based on the information given, expressed the opinion no problems should arise in the annexation.

In his presentation to the board, Miller advised the action was being regarded with inter-

Springfield, Ill.—State Auditor Elbert S. Smith is pictured at a vault in his office checking records of the school system on the Illinois island of Kaskaskia which operates in part on income derived from a 200-year-old grant of land by the early French regime in the southern part of the state. Located just off of Randolph county, Kaskaskia island holds the distinction of being the only segment of the state of Illinois which is west of the Mississippi River.

ing five blocks of the subdivision by residents in the remaining. If annexed and residents are satisfied with the move, the remaining portion of the subdivision may follow suit, he said.

The area canvassed on annexation lies between 171st and 173rd sts., Harlem and Oketa aves., and is adjacent to Sundale Hills being constructed within the village limits.

Assured by the board that street lights, street repair and police protection would be offered by the village, the group were advised to have petitions signed. Legal steps to accomplish the annexation could then be taken.

Oswald Tattum, chairman of the sewer committee, advised the cost for sewage and water service would be less if annexed to the village before the referendum is held to obtain permission to issue bonds to finance the sewer-water project in the village. The area could then be included in the engineering plans, he said, expressing confidence the bond issue would receive voter approval.

Hartman Case

The case of George Hartman, who violated the zoning ordinance of Tinley Park by erecting a flat above a garage on his property which is zoned for single family dwelling, posed a problem to the board.

Hartman is requesting a variation of his property. A similar request was turned down by the zoning board of appeals last year.

Hanging fire for almost two years, Hartman has been fined for the violation which still exists, but still no definite action has been taken to resolve the case.

If Hartman's latest request for a variation is denied, he can seek a remedy in court, if he chooses, Attorney Biederman pointed out.

In the 90 minute board meeting, trustees learned more than 95 per cent of vehicle licenses have been purchased, and that the road department is investigating the purchase of a road grader.

Bids were opened from three firms in response to advertisement by the board on installing a water main from the pump house and under the Rock Island tracks. They were referred to a committee for study.

Two volunteer police officers who spent five days in the

Criminal Court building at Chicago during the Blaylock trial as witnesses, will be reimbursed by the village for the time lost at their regular jobs. They are Charles Johnson and Wilbert Mager. The request was made to the board by Harold C. Moore, police chief.

Need More Room

A proposition that more office space is required to conduct village business, was presented to the board by Victor Propp, village clerk.

Already overcrowded, he explained with the sewage proposal in the offing, more space was needed to handle the additional village business.

He suggested the police department space be turned over to the clerk's office.

This is agreeable with Police Chief Moore. Tentative plans are to move the police department to the back of the building

where the kitchen is located. The matter was referred to a special committee, consisting of trustees Robert Suhs, Joseph McCarthy, and Allen Verhage. They will study the proposition

Requests License

Frank Schneider, owner of the Tinley Park Roller Skating rink, requested a license to operate a ballroom and cocktail lounge at the location. A report will be made by the license committee at the next meeting as to whether or not the license will be approved.

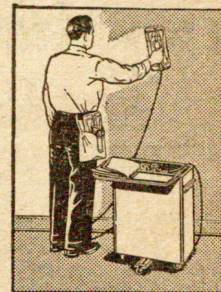

Cigars were passed around he counsel table by Village Attorney Biederman. The occasion was the birth of a fourth son, Randall, born March 12, weighing 9½ pounds. He and his wife Ruth, are parents of three other sons, George S. Robert, 6, and Danny, 2.

Overemphasis of science in education at the expense of liberal arts is just as bad as too little science, it was pointed out by Dr. John T. Rettaliata, president of Illinois Institute of Technology, Chicago.

All the water vapor on Mars equals that found in a box of earthly air two feet wide, two feet long, and ten feet high, according to studies by National Bureau of Standards scientists.

The nation's largest and quietest jet engine test cell to test the Pratt and Whitney J-57, the most powerful engine in the free world, was developed by Armour Research Foundation of Illinois Institute of Technology, Chicago.

FREEDOM OF SPEECH

"The battle has been joined between electric utility companies and the Internal Revenue Service on whether institutional advertising is a legitimate business expense for tax purposes," writes Robert U. Brown in Editor & Publisher.

The major part of this institutional advertising is directed against the further entry of the government into the commercial electric power business—in other words, against government encroachment that ultimately could destroy the tax-paying private utility companies. A test case is now in the courts, in the form of a suit filed by one of these companies protesting the disallowance by the Internal Revenue Service of certain funds spent for advertising.

The utility position has been expressed by a spokesman in these words: "Like the advertising of a grocery store the electric companies of America advertise to stay in business. We tell the people of our communities what's going on in our business. We tell them that government is grasping more and more of the electric business. We tell them why this is bad for them; how it affects their taxes, their freedom of choice, their electric service and their rights as American citizens."

The utilities, in other words, are seeking to survive—and to do what, in their view, is in the public interest. They are exercising the right of freedom of speech and press—precisely as public power groups can exercise that right. If they can legally be hampered in that, a precedent of the gravest kind will be established. Mr. Brown, in his Editor & Publisher article, said this: "Suppose some crackpot decided all American radio and television broadcasting should be nationalized under one government owned and operated company. Under the present ruling of Internal Revenue—Independent Broadcasters would be precluded from using every means at their disposal—especially advertising in other media—to explain the issues and carry the fight to the public."

That analogy can be applied to any enterprise or profession threatened with government encroachment now or in the future.

REASON FOR THE "SPREAD"

Dr. Karl D. Butler, a well known authority on agricultural matters, writes that in the last 10 years the farmer's share of each dollar the consumer spends for food has dropped from 52 to about 54 cents.

This development has stirred

much discussion and ill-feeling. The charge has been made for instance, that processors and retailers have been taking an unjustified share of the food dollar, at agriculture's expense.

Dr. Butler, however, shows that there is no case to be made here. The Department of Agriculture is authority for the statement that the food chains earn a profit of only 1.1 cents on that dollar. And the processor's profit dropped from 4 per cent in 1946 to 2.9 per cent in 1956.

Where, then, has the money gone?

Dr. Butler traces various factors that help to account for the widened spread between what the farmer gets and the consumer pays. And, he finds, the biggest one, by a wide margin, "can be found in what has been happening in the kitchen of America." He goes on: "Apparently most of the farmer's missing share of the consumer's food dollar goes into processing hundreds of ready-to-serve and ready-to-cook items. It would appear Mrs. Housewife and Mr. America are willing to pay someone else to do the housewife's work and have it done before reaching the home."

This increasing emphasis on "built-in convenience" is true of many other goods sold at retail. It requires much labor and costs money. It is done because the consumer demands it. So there's the big reason for today's spread—not profits.

NATIONAL LIBRARY WEEK

National library week, which is being observed March 16 to 22, is sponsored by the National Book Committee, a non profit organization of citizens devoted to the wider and wiser use of books, and the American Library Association. Its aim is "For a better read, better informed America." The theme for the week is "Wake up and Read!"

Many people have been concerned with the fact that the reading of books has not kept up with what should be expected of our society which now has more leisure, a higher standard of living, and is providing more years of education for its young people. Active minds that grow from reading many books and magazines and newspapers are necessary to maintain our democratic form of government.

The library in your community has a vast, free treasure for the citizens to use. Entertainment, enlightenment, growth of ideas—all these are there between the covers of books. Stop in your local library this week. See what is available. Take home some reading material for you and your entire family, and continue to do so thruout the entire year.

New 4-H Club Is Formed In Joliet Area

Ten boys met Wednesday nite March 12 to organize a new 4H Club in the Joliet area. The purpose of the club will be to study the new 4H auto project, and they will hold meetings the third Thursday of each month, starting in April. Any boy or girl in Joliet or the surrounding area, between the ages of 14 and 20, is invited to attend the next meeting and join the club.

Another club will start next month in Peotone to cover the Eastern end of the county.

Plans for the club include a tour of one of the auto assembly plants, study sessions on automobile engines, auto care and costs and highway safety.

Members need not belong to any other 4H club. For further information contact Alden Hickman, assistant farm adviser, 59 West Clinton st., Joliet, phone 6-5479.

The President of the United States cannot be arrested.

TINLEY HUSTLERS

The March meeting of the Tinley Hustlers was called to order by the president Jerry Curl. Plans were made to attend a 4-H rally last Monday, March 17. A report was given from a federation delegate and there was a discussion on home gardens and poultry projects.

Refreshments were served by Mrs. Berner.

The next meeting will be at the home of Karen Bormet.

RICH GO-GETTERS

The March meeting of the Rich Go-Getters 4-H club was held at the home of Carol Schmaedeke, March 4. Carol Feigel, president, was in charge.

The main topic of discussion was the March party. It was decided to go bowling March 16 at the Olympia Lanes.

An Easter egg hunt was planned for April 5 at which time each member is to bring one or two small children. The party will be held at the home of Carol Schmaedeke. Carol Feigel, Elaine Elbers, and Carol Schmaedeke are on the food committee, and Eileen Harms and Carol Schmaedeke are on the recreation committee.

After the business session, Lois Blume gave a talk on the care of young rabbits. Carol Schmaedeke gave a demonstration on lamp making.

Refreshment were served. The group, then, enjoyed dancing. Carol Schmaedeke provided entertainment by playing the electric organ.

Any person wishing to join the club may contact Elaine Elbers or Sharon Kohl, who are Jr. leaders.

The Snip'n Snack 4H club met in the Manhattan Sportsman's hall March 7 and celebrated National 4H week with our "Salute to our parents." We were glad to have received first place for our window display in the county 4H contest.

A potluck dinner was served to 33 members and their parents. The tables were decorated by Joyce Heisner, Bernadette Barlow and Jeanette Deist.

Barbara Scheer gave the welcome to the parents and Mrs. John Lehner gave the response for the mothers and Charles Fehland gave the response for the fathers. Community sing was led by Sharon Fehland.

A play, "Betty Behave" was given by Janet Johnson, Barbara Scheer and Bonnie Torok. Beverly Torok sang several Irish songs. A skit, "Atomic Hat Show" was enacted by Claire and Laurel Sippel, Sally Lehnert, Nancy Steinberg, Diane Nieland, Sandra Nagel and Joan Schmidt.

Diane Nieland sang a song; Joyce Scheer told of her trip to the National club congress; Ann Lehnert and Bonnie Torok and Barbara Scheer sang a song.

Mary Cheze, assistant Home Advisor and Mable Krapf, 4H leader, gave short talks. Recreation was conducted by Ruth Rainford which was an Irish party. —Sharon Homerding, reporter.

"Sorry, dear—I can't afford a family and confiscatory taxation too!"

Named Heirs-at-law On Petition Filed In Probate Court

Several area residents are named heirs-at-law in the estate of the late Mrs. Anna C. Wanner. They are her daughters Mrs. Lydia Bettenhausen, of Mokena, and Mrs. Matilda Tewes of Frankfor; also Albert W. Bettenhausen, of New Lenox, a grandson.

In the \$11,175 estate of Mrs. Wanner, who died Nov. 24, letters of administration were issued last week to her sons, William O. and Alvin J. Wanner, of Peotone. There was no will. According to the petition filed

ed with the court she had \$1,175 in personal property and real estate valued at \$10,000.

Other heirs-at-law listed on the petition are three other grandsons and four granddaughters.

Erect Stop Sign On Oak Park Ave.

A stop sign has been installed on the southeast corner of 174th st. and Oak Park ave., just south of the Rock Island tracks.

This will facilitate movement of drivers from the north wishing to turn east to the Post Office or other business houses in the area.

COMPLETES NEW SHOP—The New Lenox Auto Body Shop is now occupying new quarters on Spencer road, a mile east and a mile south of the village of New Lenox. Growing business made the expansion program necessary. The new quarters has fluorescent lighting and ample windows to provide proper

light for the work, especially painting cars. The office and heating unit are off the main building. The building is 44 by 54 feet and is constructed of concrete blocks. Shepherd Construction Co., of Joliet, was the builder. (Robert Porter photo)

MOKENA

Mokena 3521-4151

**CALL POLICE: 5247-5739
FOR INHALATOR
CALL MOKENA 2121**

Kenneth Oldendorf, son of Mr. and Mrs. Ed. Oldendorf, arrived home March 13 on furlough from the naval training base at San Diego where he has just completed his basic training. Other Mokena boys home from training are John Levezzi, and Louis Johnson, both of Sunny Acres. Oldendorf and Levezzi will leave March 28 for Norman, Okla. for training in the Naval Air corp. Johnson will leave March 27 for training with the Seabees at Philippine Islands.

A daughter was born to Mr. and Mrs. Robert O. Stuart, 192nd st., in Little Company of Mary hospital Thursday, March 13 by caesarean section. The baby who has been named Linda Marie, weighed six pounds 14 ounces. She and her mother will be welcomed home today by her 15 months old brother Robert Wayne.

Paul Landahl, son of Mr. and Mrs. Gustav Landahl, has been pledged to Phi Kappa Psi social fraternity at Valparaiso university. Paul is a freshman in the college of arts and science there.

The Wayfarers met in the social rooms of the Methodist church last Saturday evening with 30 members present. After the business session a social hour was enjoyed followed with refreshments served by Mrs. Louise Thoresen of Frankfort, Mrs. Florence Bruser and Mrs. Clarence Gurrie, president of the auxiliary.

Mr. and Mrs. Charles Burkhardt returned last Wednesday from a two weeks motor trip to Hot Springs, Ark., and Lakeland Fla. While in Hot Springs they had a pleasant visit with Mr. and Mrs. Harley Mann and found him improving in health. They also stopped with the Geo. Koellers at Gamiele, Ark., en route.

Baptisms

The infant daughter of Mr. and Mrs. Spencer Hauser was baptised in St. Mary's church by the Rev. Cecil Koop, Sunday afternoon. The name given was Lorraine. Sponsors were Mrs. Lester Oakley and Jack Loughane of Chicago. At the same time the infant son of Mr. and Mrs. Lester Oakley was baptised, the name given being Thomas Gene. Sponsors were Mr. and Mrs. Joseph Mayers of Chicago. The christening dinner was held in the Hauser home with 50 relatives attending.

Also baptised in St. Mary's church Sunday afternoon were the children of Mr. and Mrs. John Popilek, Hillgate road, Brightwood. The children are,

John, Kathleen, Michael, Sharon and Robert. The Rev. Cecil Koop officiated. A buffet dinner was served in the Popilek home at 6 pm. when the god parents were guests.

Mr. and Mrs. Joseph Wagner of North Chicago who have just returned from a trip to Naples, Fla., were weekend guests in the home of her niece, Mr. and Mrs. James L. Murphy and family.

PTA Annual Dinner

The Mokena PTA will hold its annual family potluck dinner and basketball award night on Tuesday, March 25, in the school gym at 6:30 pm. Those planning to attend should bring a dish to pass and necessary table service for their family. Serving will be the third grade mothers. Mrs. Charles Kiedaisch and Mrs. Richard Stroh, chairman.

A short business meeting will be held. The membership nominating committee, consisting of Mrs. Kenneth Sherwood, Mrs. Durward Fant and Mrs. Charles Hostert will present a slate for officers for consideration by the members, for the coming year.

The Auxiliary to the VFW will hold their regular card party in their hall of Wolf road this Saturday evening starting at 8 o'clock.

Mrs. Anton Benson is chairman.

The members of the Friendly circle of St. John's church will serve a spaghetti supper in the church April 15 from 5 to 7:30. Tickets are now being sold for the dinner.

Mrs. Alvin Sorensen entertained at a party March 16 honoring her daughter Diane, and her 17th birthday. Games were enjoyed and dancing. Present were Sandy Swinford, Carol Marti, Sharon Kuchenbecker, Mary Ann Davies, Betty Miller, Pat Dath, Joy Campbell, Norman Heidrich, Barb Walsh, Tom Ricketts, Tom Williams, Charles Otto Bill Klinger, Jim Stanek and Terry Marshall. Pizza and cake were served.

The condition of N. F. Heiman is slowly improving following surgery in St. Joseph's hospital Joliet, where he is still a patient.

Mrs. George Rinke is a patient in St. Joseph's hospital suffering from an ear infection.

The Sunday Evening club of St. John church will sponsor the showing of the movie "The Robe" in the church April 20.

Mr. and Mrs. W. A. Muehler will entertain their pinochle club in their home Saturday evening.

Cooper and Hostert garage has recently purchased the lot across the street from the garage and has made it into a parking lot for their customers. The small building that has been on that lot for many years was removed. A good improvement for Mokena Front street.

The March meeting of the

Book club was held at the home of Mrs. Leo Marcoux with 20 members and three guests present.

Following the business meeting an interesting review of Peter Freukin's "Book of the Seven Seas" was given by Mrs. Edward Akers. This fact filled book deals with every aspect of the oceans from life deep within them to man's methods of fighting on them. Any teenager or adult would find it absorbing reading.

Mr. and Mrs. Wilbert Laufer who moved into their new farm home at Peotone, are getting settled there. A group of 25 relatives visited them Sunday.

Will-Grundy Dental Aides Form Society

Dental assistants in the New Lenox area have formed an association, the Will-Grundy Dental Assistants society. The first meeting was held early this month.

The purpose of the society is to serve the educational needs of persons employed as dental assistants in offices, clinics, hospitals and institutions. To provide the advantages of lectures, clinical demonstrations, discussions and instruction in the duties of a dental assistant.

Officers of the organization are Joanne McCure, president; Mary Shepley, president-elect; Cookie Jordan, vice president; and Ruby Peyton, treasure.

Tinley Church League Cage Tourney Draws Eight Sharp Teams

The Tinley Park church league invitational tournament began last night and will continue thru Saturday evening when the championship and consolation games will be played. Four members of the church league and four outside teams comprise the field.

The tourney opened with the Teen Club playing the Joliet DeMolay. The Teens, who finished second in the church league, have won four of their last five games and should be a real threat to gain the championship game. Joliet brought a young but scrappy ball club. Having won their district championship, the Joliet squad will rely largely on their 6'4" center, Ken Oder, who maintained a season average of over 20 points per game.

Also in the opening round, played last evening, the Nazarene squad was weakened recently with the loss of three first string players. They are paced by high scoring forward Ron Bressi. The New Lenox team will make a strong and determined bid to get into the championship game.

Tonight in the opening game at 7 p.m., the champion Methodist team will play the Harvey Rebels. The Methodist team, which holds an overall season record of 16-4, should be considered the team to beat in the tournament. Paced by Tom Jeffers, league's leading scorer. They will be seeking their seventh straight win. The second game tonight will pit the St. George Catholic team against the Markham Independents. The Markham team will present a challenge to the Catholic squad with superior height, but may lack the shooting skill of St. George. St. George will be paced by Ron Gallina, voted the leagues most valuable player.

Tomorrow night will be the semi-final games and Saturday evening will be the championships. Games begin at 7:00 and 8:30. Donations will be accepted at the door. Doors open at 6:30.

Fans Await State Prep Cage Finals Saturday

The time has arrived when attention of Illinois sports fans is directed to Huff gymnasium on the U. of I. campus at Champaign-Urbana. It happens every year about this time because this is when the finals of the state high school basketball tournaments are held.

And there is something about this event that stirs the blood and even persons who know little about the game and haven't been to a game all season, find themselves caught up in spirit of the occasion and begin talking about zones, blocks, hook-shots and pivots and stand ready to give the coaches instant advice in any situation.

Huff gym only accommodates a few thousand people but if it seated 20,000 there would still be thousands more clamoring for tickets.

Many an enterprising student has met his financial needs for months to come by scalping tickets for the tournament finals altho the university has done everything possible to halt the practice expect to call the whole thing off.

The finals this year will be held Saturday but the affair begins Friday. During those two days thousands of fans in all parts of the state will keep in close proximity to radios when the games are on. On Saturday afternoon and night the semi-finals and finals will be televised. That will be very fine for the home and tavern viewers but people who have to work or may be compelled to travel while the games were on will depend on radio.

Formerly the state tournament was known as the "Sweet Sixteen", because of the number of teams participating but a few years ago the Illinois High School Athletic association cut the number to eight. Eight were eliminated in a "super sectional." The High School association explained the move was for the benefit of fans who could not go to Champaign to see the tournament and could not get in the gym if they did manage to get to the town. Incidentally, the association makes a lot more money, it was said, by staging the "super sectionals."

Mokena

New Lenox Tourney For Two In A Row

Mokena's Meteors captured the New Lenox basketball tournament for the second straight year when they routed Laraway 51 to 33 in the championship game Saturday night. The victory also gave Mokena the honor of becoming the first school to win the Tournament twice.

The size of the score and the ease of victory were surprising to most observers since Laraway had dealt Mokena an early season defeat, and just three weeks ago extended the Meteors to an overtime before losing 49 to 47.

The answer was found in the fact that Mokena was up for the big game and as a result played their best ball of the season. Ronnie Yunker and Mark Muehler led the offense and Arnold contributed some outstanding defensive work on Laraway's Gant. Johnson came thru with his best game and his sharp passing early in the game set up Yunker for easy baskets that broke Laraway's back. Williams and Badten each contributed to the fine floor game.

Yunker got off to a fine start with nine points in the first quarter. Muehler and Johnson each had a basket and Mokena led 13 to 10. From this point on the game was all Meteors and Mokena gradually became a rout. Every Meteor scored in the second period as they poured 19 points thru the hoop in that period. Yunker collected nine more and left the floor at the half with 18 points. The Meteors led 32 to 18.

The pace slowed considerably in the third period although Mokena still outscored their opponents 10 to 9. Muehler picked up the scoring where Yunker let down, getting 5 points in this quarter and 8 in the last period. The score reached 51 to 28 when the reserves took over with half the final period to be played. Yunker and Muehler tied for scoring honors as each got 20 points. Yunker scored a total of 57 points for the three games of the tourney and was easily the leading scorer.

Mokena reached the final game after downing Channahon in a thrilling semi-final contest 39 to 32. Channahon and Mokena had ended the conference season tied for first with Channahon owning a victory over the Meteors in regular season play. The Meteors had beaten Channahon in the Taft tourney by a single point.

Yunker led the Meteors to

ed with the court she had \$1,175 in personal property and real estate valued at \$10,000.

Other heirs-at-law listed on

petition are three

their terrific triumph with 22 points. Mokena led at the quarter 8 to 6 but slipped back into a tie at the half 18 to 18. By the end of the third period Mokena had edged ahead 27 to 26. The Meteors nursed this lead to 31 to 30 on a basket by Johnson and two free throws by Yunker. Doug Arnold then broke the game open with a basket and two free throws that put the Meteors on top 35 to 30 with four and a half minutes to play. The Meteors went into a possession game and forced Channahon out so that Johnson and Yunker could score the clinching baskets.

The Meteors concluded their season with a record of 16 wins and 3 losses. This compares with last year's mark of 18 and 1. The team repeated as DesPlaines Valley Champions and also as winners of the New Lenox Tourney.

Blaylock Gets Off With 17-Year Term for Murder of Mother-in-Law

Found guilty of the murder of his mother-in-law, Florence Anderson, Woodrow Blaylock, 40, of Tinley Park now faces trial under four other charges of attempted murder.

The jurors deliberated 5½ hours before reaching the verdict. They fixed Blaylock's penalty at 17 years in the penitentiary, only three more than the minimum allowed by law for the crime of murder.

The murder trial started on March 3 and ended March 13 in the Criminal court of Judge Walker Butler. Prosecutor William Winn was assisted by Burton Hoffman. Both are assistant state's attorneys.

Asks New Trial

Trial on the additional charges is scheduled for Monday, March 24. On the same date Charles Bellows, counsel for Blaylock is scheduled to make a motion for a new trial. If overruled, the judge may at that time pronounce sentence.

Blaylock, who maintained a marble calm thruout the trial as he listened to the testimony from the stream of state witnesses, did not bat an eye when the verdict and penalty were announced.

With good time allowance he could serve all of the term in 11 years and four months and be entitled to a discharge under the law he could apply for a parole after serving a third of his sentence or five years and nine months. This does not mean he would get a parole, but he could apply. As a matter of fact there is no record of a murderer serving a minimum or near minimum sentence getting released on parole. The board requires them to serve at least the amount of time they would have to do to earn a discharge.

On the four indictments of attempted murder, Blaylock is charged with shooting and wounding his father-in-law Hilding Anderson, his estranged wife Shirley, step-daughter Judy Roe and Fred Erickson, who made his home with the Anderson family for 25 years.

"Nice Guy"

In a dramatic attempt to convince the jury the defendant was insane at the time the crime was committed, but since recovered, Bellows sympathetically portrayed Blaylock as a "nice guy" who was pressured into excessive drinking by persons interfering in his personal life.

What the defense counsel termed a "tragedy" in referring to the death of Mrs. Anderson, prosecutor William Winn, called a "massacre" in his summation to the jury.

In revealing the lurid details on the condition of the victim's body after the shooting, Winn exclaimed: "Blood must have been flowing out there (the Anderson home) like wine out of a cask."

In his account of the defendant's movements from the time he entered the Anderson home until his statement was taken by Tinley Park Police Chief Harold C. Moore, he pointed out that the defendant knew what he was doing.

Hoffman, assistant prosecutor who made the first arguments for the state before the jury, asked for a verdict of guilty.

Winn concluded his arguments with the statement that "life is not enough."

Assisting Bellows in Blaylock's defense was Herbert Folkers, of Frankfort.

Tinley Park Witnesses

Witnesses from Tinley Park who testified for the state were Police Chief Moore and Clarence Fulton, besides all of the principals in the case.

Also on the witness stand last Wednesday was the Rev. Glenn Ames, former pastor of the Tinley Park Methodist church. He testified how he tried to help the couple resolve their marital difficulties.

Other Tinley police officers

who were subpoenaed but never called to the stand were Pete Sealey, Charles Johnson, and Wilbert Mager.

Many people in Tinley Park were surprised at the sentence fixed by the jury, saying it was too light.

FISHER'S DECISION—

(Continued from page 1)

a change of mind on the annexation rather than risk a decision which might jeopardize the method when everyone was agreeable.

Judge Fisher's decision, of course, is not final. Hickory Hills can appeal and there are many who hope it will so they can get a ruling from the supreme court to clarify the question.

Some months ago it was suggested that Mokena annex a tract on U. S. 30 by annexing Wolf road but no action was taken.

MOKENA SCHOOL—

(Continued from page 1)

Ronald Roberson is stage manager as well as understudy for the part of Theodore Brown. Nancy Bisgrove will serve as prompter and Wayne Swanberg as accompanist.

The school band will make its second appearance of the year as they present the music before the operetta and between the acts. The band is under the direction of Perry Friedman.

Lincoln-Way to Honor Athletes

The annual Lincoln-Way athletic banquet will be held in the school cafeteria on Wednesday, March 26, at 6:45 p. m.

The dinner, which is for fathers and sons, members of all school athletic teams, is not open to other students or the general public. However, they are urged to attend the program following the dinner which will be held in the school auditorium, at 8 p. m.

Jesse Cwens is the guest speaker. He is renowned at public speaking as he was on the cinder paths.

At the cafeteria style dinner, all school athletes and their dads will be honored and special recognition given them by the respective coaches.

Mokena Fire Chief Issues Warning on Burning Rubbish

Charles Hostert, Mokena fire chief, warns residents of the danger of grass fires, caused by burning rubbish outdoors.

The department extinguished two such fires this week.

The dry spell presently being experienced makes the danger of fire spreading more serious.

Strictly speaking, Donald Duck should be Donald Drake—the male of the species.

Spring to See Completion of Francis Road

An improvement long sought in Mokena—the surfacing of Francis road to provide an alternate route to Joliet—is to be completed this spring.

County Highway Engineer James McCarthy said that the link between Cedar road, New Lenox, and Mokena, is to be blacktopped this year. This will complete the project. The

section between Cedar and Gougar roads was finished last year.

A continuation of the road between Mokena and Tinley Park is paved so when the Mokena-New Lenox link is finished, Tinley Park will have a closer, direct connection with Joliet.

The improvement is a state aid project and because of too sharp a turn just at the edge of Mokena but west of Wolf road, the state will not carry the road beyond that point. It will be up to the village to pave the street between Wolf road and the limits, McCarthy said.

Work on the bridge at Marley should be finished this spring it was said, but plans for widening and paving Maple road east out of Marley to Wolf road, have struck a snag. The county is having difficulty getting right-of-way, McCarthy said.

Agnes Haley, 73, Ex-Postmistress of Marley, Dies

Miss Agnes Haley, 73, of Marley died Monday, March 17 at 1:15 a. m. in Silver Cross hospital, Joliet after a short illness. Her funeral was held yesterday afternoon, March 19 at 2 o'clock from the Sonntag funeral home in Joliet with the Rev. Ray Hamer, pastor of the Marley Community church, officiating. Interment was in Hadley cemetery, Homer township.

Miss Haley was born Oct. 4, 1884 in the home at Marley where she had resided all her life. She was an active member of the Marley church and of the Marley Missionary society. In 1954 she donated an acre of land, adjacent to the church property, as a memorial to her parents, Mr. and Mrs. Charles F. Haley. This has been named Haley park, and is used for church and community affairs.

In the early 1900's, Miss Haley served as postmistress of Marley, when the postoffice was located in their home. Her parents were pioneers in this area, being the founders of Marley with the Marshall families. For many years the Haleys operated a general store and also a

grain elevator.

She was preceded in death by her father in September, 1937 and her mother, Elizabeth, on December 27, 1956. She is survived by one sister, Nellie, Mrs. W. B. Storm of DeKalb, two nieces, and two nephews, none of whom reside in Illinois.

4-H Horse Club Is Organized At New Lenox

The second 4-H horse club in Will county was launched last week and the next meeting will be Monday, March 24, at 8 p. m. in the home of Glen Vally at New Lenox.

Adult leadership for this group will be furnished by the New Lenox Riding Club. This club will be organized like all other 4-H clubs with the 4-H'ers setting up their own program, with guidance from their adult leaders.

Requirements for membership in this club are:

1. Ownership or use of a horse
2. Keep regular 4-H record books
3. Attendance at two-thirds of the meetings after joining (Meetings once a month)
4. Give a talk or demonstration during the year
5. Perform at a show which will probably be held in October by the New Lenox Riding club.

Neither size, shape, or ancestry of the horse is important. The purpose of the project is to teach 4-H'ers to care for and enjoy their horses. Anyone with in walking, trotting, flying or driving distance of New Lenox is welcome to attend and join this new club. You need not be a member of any other 4-H club to join.

Scientists now can watch and measure growth in the living cell with a new kind of X-ray machine developed by a California scientist.

Seventy five per cent of the new freshmen admitted to Illinois Institute of Technology, Chicago, were in the upper quarter of their high school gradua

Participates In Spelling Contest

Patricia Jaeger of 13631 S. 92nd Avenue, represented the Orland Park Elementary school in the Daily News spelling contest held March 11, in Glenwood.

There were 25 contestants from south Cook county schools who participated.

Park Forest Piano Students to Hold Mass Recital May 4

The Park Forest Conservatory announces completed arrangements for the first piano festival to be held on Sunday, May 4, in Rich township high school gymnasium.

Piano ensemble compositions have been carefully selected and conservatory students are already preparing festival materials for performance. "Piano orchestras" are designed to give students ensemble experience. Several hundred students from five years of age thru high school will perform and 30 pianos will be used.

Piano students will be pupils of the following teachers:

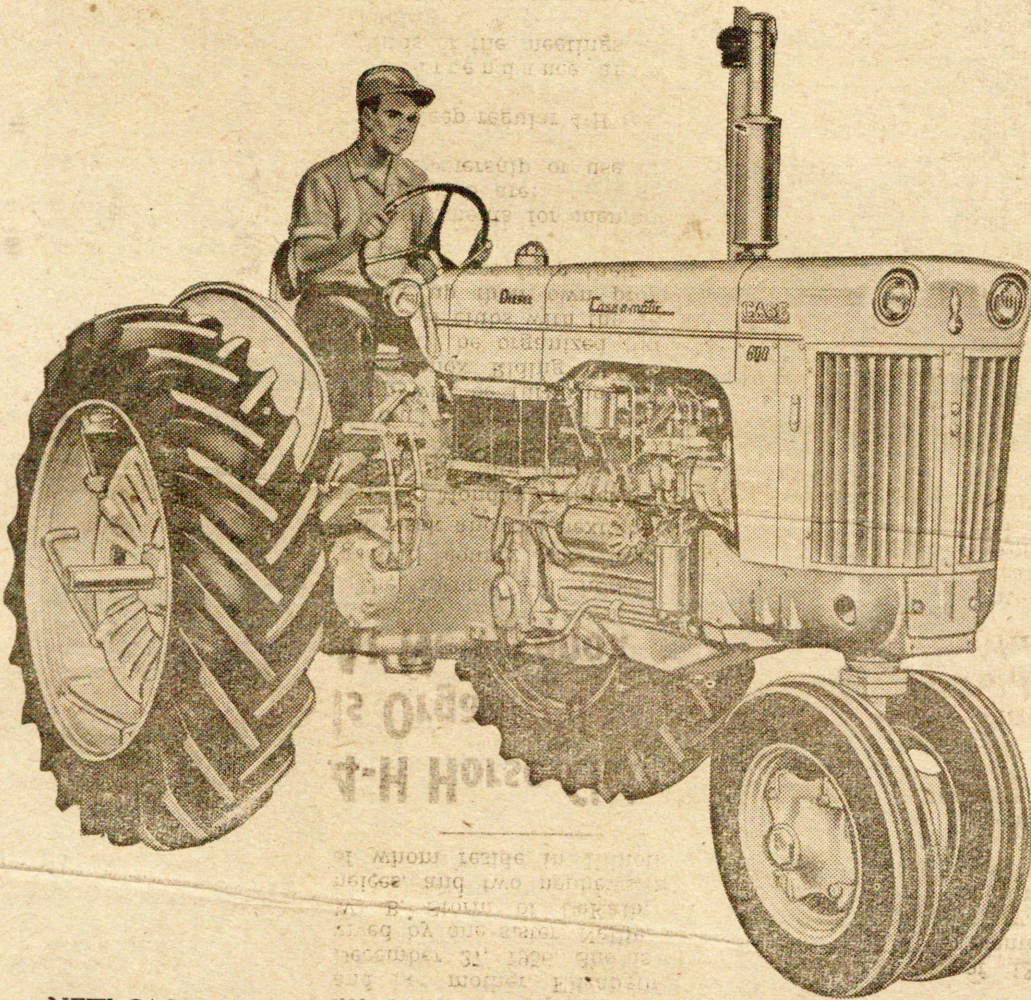

Thomas Camp, Thalia Davidson, Harry Davidson, Ruth Enslow, Helen Greenhalgh, Guss Grimm, Peggy Hall, Ada Hondrick, Robert McDowell, Florence Peterson, Mary Simpson, Renata Thilenius, Betty Wechsler, and Cornelius Vluegel.

Pre-school students from "tune town" plan to participate in the Festival with a demonstration to be directed by Mrs. Robert Speaker. "Tune town" is a musical readiness program designed to prepare young students for private music study and help the child to enjoy all forms of music and dance.

Local Govts. In Illinois Are Now Reduced to 6510

The numerous local government units in Illinois literally surround the taxpayer with government and services, the Taxpayers' Federation of Illinois pointed out today. Illinois' 6510 local governments place it second in the nation; only Nebraska excelled this number.

Every Illinois taxpayer resides in a county. Likewise, he lives in a 12-grade school district, or in an elementary school district and overlying high or non-high school district.

Counties in turn, have been required to subdivide into township or road districts and to delegate to these units the performance of certain functions. With the exception of a few urban areas, every part of the state is also included within either a township or a road district. Unlike other types of local units, townships or road districts are never cut by county lines.

Besides those levels of government that may be described as "inclusive" because they cover the state completely, there are many other local governments formed to give additional service in selected areas. Cities, villages, and incorporated towns perform governmental services of a general nature in urban areas. On the other hand, special purpose districts, such as fire protection districts, concentrate on the one purpose for which they are created.

There seems to be no restriction on the range of duties which the legislature may assign to townships in the 85 township organization counties. Nevertheless, only a few types of services are expressly required of all townships. It is their duty to provide general assistance, altho this obligation was not general before 1931 and has been reassigned at various times to the counties. The most important other township function is the building and maintenance of rural roads and bridges.

Road districts in the 17 commission organization counties can be compared with townships in that they must construct and maintain rural roads and bridges. General assistance, on the other hand in such counties, is administered by the county.

The local governments are still numerous in Illinois, they are not as abundant as they were in 1944. Chiefly through school consolidations, local governments have been reduced from 15,155 in 1944 to 6,510 in 1957.

Protein supplements that contain urea are no better and no worse than similar supplements without urea, according to a diary specialist at the University of Illinois college of agriculture.

Prosperity goes to the heads of some—and to the waists of others.

Mower Mfg. Firm Has New Device to Test Engines

In the spring man's attention—if not his fancy—turns to thoughts of grass, whether it is the kind that grows on fairways and greens or in his own yard. Or to put it another way—the kind of grass someone else cuts or that he has to cut himself.

Some men—whose talents are badly needed in the diplomatic service—thru adroit words and convincing manner paint such a picture of the wonders mowers mowing works in slimming and beautifying the feminine figure that their wives take over the task. Daughters frequently can be persuaded to spell off Mom but sons are hard coal indeed when it comes to getting them to pilot a lawnmower.

But whoever does the mowing has to have the mower in good condition and keeping mowers clicking is a phase of the business of the L. Brownlee Co. of Mokena. The Brownlee firm not only makes lawnmowers but also services them as well as being a service center for the Springfield riding mowers, Clinton engines, chainsaws, and carries parts for other name brand engines. It also has a new machine to test engines so that the source of trouble is seen immediately. This testing is done without charge.

In the Orland Park area Illinois Lawn Equipment company is also in the mower service business, working on and carrying parts for all brand name machine and engines.

Scout News

BICYCLE SAFETY

"Bicycle Safety", a film sponsored by Mobiloil dealers as part of the National Boy Scout safety program to help Boy Scouts be more safety conscious, is available now to Scout troops, posts and packs in Will county. Arrangements for showing this film may be made thru Boy Scout Hdq., 254 East Cass st., Joliet.

INSPECT CAMP SITE

The spring camp out committee of the Louis Joliet District visited the Community Park in Mokena to inspect the site and to make plans for the spring camp out to be held there June 6, 7 and 8.

Henry Plate and Henry Reeds are co-chairmen of the spring campout while Jack Mansel is in charge of the physical arrangements and camp site layout, and Gaylord Bales is in charge of registration. Robert Wolz is in charge of administering the program of the camp out, and Philip Lindahl is in charge of publicity.

Other committee heads for the various Scout Craft and events are: James Loeffler, health and safety; Loyal Miller, judging; Robert Cameron, field events; Louis Pevla, district camp fire; Edward Vollmer, Saturday night camp fire; and Bill Sandiford, Order of the Arrow attendance.

Henry F. Krapf Leaves Estate of \$97,000

Mrs. Ruth Kopman and Mrs. Esther Heisner, of Peotone, will share in the \$97,000 estate left by their father, Henry H. Krapf, who died Feb. 23, with the exception of two \$8,000 bequests to his grandchildren. They are Sharon Krapf and Kendall Krapf, of Manhattan.

The will was dated March 7, 1957. It did not nominate an executor. The petition filed with the Court asks that the two daughters be named co-administrators with the will annexed.

Mr. Krapf, who lived on route 45 just north of Andres, left \$20,000 worth of personal property and real estate valued at \$77,000.

Hearing on the petition has been set for April 22, by Will County Probate Judge Stewart C. Hutchison to admit the will to probate.

OAC Has Jobs For Men With Special Skills

The Ordnance Ammunition Command, Joliet, Illinois, has job openings for about forty workers, according to information released by the local Board of U. S. Civil Service Examiners.

The jobs require a variety of special skills and have starting salaries that range from \$3,670 to \$8,645 a year.

The availability of these job opportunities reflects a continued scarcity in the Joliet area of personnel with the required skills rather than any change in the Ordnance Ammunition Command employment level.

Positions as tabulation project planner, equipment operator supervisor and machine operator supervisor are open for qualified individuals who have a knowledge of electrical accounting machines. This positions offer starting salaries of \$3,670 to \$5,400 a year and opportunities for special training and advancement in a field that is rapidly growing in importance in both the government service and private industry.

Jobs are open for twenty ordnance engineers and electronics equipment specialists. Starting

salaries range from \$3,670 to \$8,645 a year.

Openings also exist for analytical and mathematical statisticians with beginning salaries from \$5,440 to \$7,570 a year, and technical equipment illustrators and publication writers at \$3,670 to \$5,440 a year.

Detailed information on these

ORLAND PARK

Fashion Show

The fashion show and hat sale sponsored by the St. Michael's Guild will be held tomorrow, Friday, March 21, at 8:30 pm. in St. Michael school auditorium. As an added attraction, the Octet from Carl Sandburg high school will entertain during intermission.

Many prizes and two cashmere sweaters, now on display at the Cinderella shop, will be awarded.

Co-chairmen, Mrs. Joseph Daluga and Mrs. Lee Holcombe, will be assisted by Mesdames Matthew McBride, Lawrence McBride, George Jedlicka, Donald Richardson, Eugene Czworniak, Joseph Jakich, Edwin Rosowicz, Louis Luppert, James Cahill, Harry Richard, Francis Beck, D. Grahovec, Raymond Barry, James Stewart, James Mack, Leo Szufnarowski, Bernard Keiran, Roy Perlowski, Joseph Schutte and Charles Dowling.

Models will be Mrs. Robert Peterman, Mrs. W. L. Neubek, Mrs. Janet McCormick, Mrs. Gus Knez, Mrs. James Foley, and the Misses Lee Heinen and Jean Champion.

Small fry models, all children of Guild members, include Roger Daluga, Peggy Holcombe, Steven Paluski, Joan Ann Fitzpatrick, Susan Kilburg, Linda Chapman and Kathleen Perlowski.

High School Board Appeals Firing Case

(CNS)—A Circuit court decision ordering the reinstatement of an Argo community high school teacher suspended from the Summit high school last September has been appealed to the Appellate court.

Attorney John Wejman, representing school district 217, said oral arguments on the appeal probably will begin this fall.

Circuit Judge Charles S. Daugherty ruled in favor of English Teacher Richard L. Hauswald, Chicago last month and ordered the school board to pay his regular salary for the period Hauswald was under suspension and subsequently fired.

However, Hauswald, 57, will not be able to return to school teaching while the appeal is pending.

He was suspended Sept. 1, 1957 and dismissed Nov. 2, 1957 by the school board. Judge Dougherty ruled that the school board hadn't proved its case.

Fired Last Fall

Hauswald also was accused of failure to provide a lesson plan for his substitutes, was often absent without good cause left his class unsupervised, and failed to cooperate with Superintendent Charles Wingo.

After receiving the resolution Hauswald served the board with a request for a public hearing

and bill of particulars on why he was dismissed.

The meeting was held Sept. 20, 1957. The board met Oct. 3, 1957 and reaffirmed its dismissal.

Hauswald charged he was fired for reasons of bias or personal hatred. The school board denied the charge.

Church News

Christian Church (Disciples of Christ) Makes Annual Report

(Editor's Note: Recently a superior court judge in Chicago issued an injunction to restrain a church group in Country Club Hills (Tinley Park) from holding services in a building originally erected as a home. The injunction was issued against the Disciples of Christ. Some persons might be confused by the name and take it to be some new, little known sect. The Disciples of Christ is what could be described as the corporate name of the Christian church. The following article provides some information concerning this church in Illinois.)

Christian churches in Illinois have 162,009 members in 629 congregations, according to the recently published 1957 Year Book of the Christian Churches (Disciples of Christ).

Only two states have more Christian Church members (Indiana and Missouri), and only three states have more churches (Missouri, Kentucky and Indiana).

Year Book data show that baptisms added 4,412 to Illinois Christian churches and 3,328 members were accepted by transfer from other churches during the year ending June 30, 1957. The net gain in membership was 793.

Gains in church school enrollment for outshewn church membership gains. Illinois church schools had 108,054 pupils in 1956-57, as compared with 105,269 in 1955-56.

Illinois Disciples gave (per capita) \$45.59 for local church expense and \$6.14 for missions in 1956-57. The total given was \$4,452,190.63. Per capita averages for Disciples in the United States and Canada were \$49.74 for local expense and \$7.91 for missions.

The total membership of Christian Churches in the United States and Canada in 1957 was 1,951,820, an increase of 21,060 over the year before. There are 8,080 congregations in the two countries.

Begun in the early 1800's on the frontier, the brotherhood of Disciples of Christ still has its greatest concentration in Kentucky, Indiana, Illinois, Ohio and Missouri.

Easter Seals Reach Homes In Will County

All Easter seals have now been mailed, according to E. B. Workman, 1958 Easter Seal fund chairman. More than 300 volunteers worked days and evenings in preparing the envelopes which were mailed to residents throughout the Will county area.

Workman has made a special appeal for funds for the Easter Seal Center this year. He said the figures which are available to any prospective donor, indicate the center could not operate another year without a successful 1958 campaign.

Last year the center, located at 1018 Wilcox st., in Joliet, provided 1500 treatments for persons suffering from crippling diseases throughout the Will County area. Workman said in his appeal, "Please send a gift when you receive your Easter seal envelope. You can rest assured that your dollars will directly benefit someone, perhaps less fortunate than you, here in Will county."

The press is full of favorable reports on "the new Nixon." Shows what a fellow can do when he's really determined to get rid of a vice.

—CHANGING TIMES

Overemphasis of science in education at the expense of liberal arts is just as bad as too little science, it was pointed out by Dr. John T. Rettaliata president of Illinois Institute of Technology, Chicago.

How spiritual perception of God's power brings freedom from bondage to materialism will be a topic dealt with at Christian Science services Sunday, March 23.

Keynoting the Lesson-Sermon on "Matter" is the Golden Text from I John (2:16): "All that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (277:29): "Nothing we can say or believe regarding matter is immortal, for matter is temporal and is therefore a mortal phenomenon, a human concept, sometimes beautiful, always erroneous."

Selections from the Bible will include the following (Isaiah 40:8): "The grass withereth, the flower fadeth: but the word of our God shall stand for ever."

Seems like every time history repeats itself, the price goes UP.

FRANKFORT

Mrs. Katharine Heisner
Frankfort 5187

A daughter was born in Silver Cross hospital March 14 to Mr. and Mrs. Edward J. Schoop. Miss Nancy Long of Mokena was a week-end guest in the Oran Deist home.

Mrs. Herbert Folkers was hostess of the DesPlaines D.A.R. this Tuesday evening which was held in the home of Mrs. George Wardley at Joliet.

Mrs. Fred Hafka has been ill in her home for several weeks.

Mr. and Mrs. Roy Putnam accompanied by Mr. and Mrs. Edward Flaherty of Chicago Heights spent the week-end with Mr. and Mrs. J. V. Ketchman at Indianapolis, Ind.

In observance of her 81st birthday Mrs. Albert Minger entertained guests at her home Sunday afternoon and evening. They were Mr. and Mrs. Roy Minger and family of New Lenox; Mrs. Leona Tewes and daughter, Marie, of Orland Park; Mrs. Henry Hossbach, Mrs. Walter Minger, Miss Bertha Huff, Mrs. Amanda Mark, Mrs. Emma Gierke, Mrs. Louisa Heisner, Mrs. Blanche Mitchell, Mrs. Anna Scheer, Mrs. Elmer Batson, Mrs. Wallace Weichbrodt, Mrs. Walter Schoen and Mrs. Mary Minger. In the evening Henry Hossbach and Herbert Minger joined them. Refreshments were served and many lovely gifts were received by the honored guest.

Arthur Carlson has returned home from Silver Cross hospital where he was taken following injuries to his ankle incurred while working at the Frankfort Grain company. A cast has been placed on the ankle and he is recuperating in the home of his sister Mrs. Ruth Bengtson.

Infant Baptisms

The Rev. Ben F. Day officiated at the baptism of Kevin John infant son of Mr. and Mrs. Robert Erdman, of Mokena. His sponsor was his aunt Miss Glenda Schifler, of Mokena. A dinner was served by the child's parents in their home. Guests were his grandmothers, Mrs. Sadie Erdman, Mrs. Amanda Mark and Mrs. Emma Gierke, great-grandmother.

Rebecca Joan, daughter of the Ralph Dralles was also baptized during the service. Her sponsor was Mrs. Maxine Beaver, of Centralia. She and her daughter were week-end guests in the Dralle home.

A dinner to mark the event included also the following guests: The Rev. and Mrs. Ben F. Day and Debbie, and grandparents Mr. and Mrs. Edwin Dralle, of Green Garden.

Mrs. Lloyd Bettenhausen will have charge of the devotions at the next Women's Guild meeting which is scheduled to be Wednesday afternoon, March 26 at 2 p.m. The topic will be "We Believe in God" and the program is in charge of the Christian Social Action department. Later at 5 o'clock a dinner will be served for the public to attend. Mrs. Alvin Harnack and Mrs. Edmund Ebert are chairmen with co chairman Mesdames: Robert Hohenstein, Lewis Ebert, Howard Seemann, Vernon Hansen, Stanley Johnson, Glenn Schroeder, William Hansen, Charles Heusner, Arthur Geuther, Connard Haakinson, William Wischover, Henry Smit, Viola Lankenau, Ethel Hafka, Herbert Lambrecht, Norman Lorenzen, John Weitendorf Sr., George Mager, Wesley Hollstein, John Gearhart, Henry Wieland, Fred Wieland, William Koerner. Following the supper a Lenten service will be held at 7:30 p.m.

A testimony service will be held next Sunday morning at 10:30 a.m. at St. Peter church for 10 children all eighth graders, who will be confirmed on Palm Sunday by Rev. Erich Bizer.

A membership class will convene next Wednesday evening

after the Lenten services by Rev. Erich Bizer at St. Peter church with other meetings to follow.

Rev. and Mrs. Erich Bizer visited with Mrs. Minnie Klepper at the Bensonville home Sunday afternoon. Later they attended a birthday dinner for his sister, Miss Anna Bizer of Broderview which was held at the home of their brother and family, Mr. and Mrs. Armin Bizer at Northbrook.

Cathy Louise was the name given the infant daughter of Mr. and Mrs. Roy Ebert when baptized after the morning service Sunday in St. Peter church with Rev. Erich Bizer officiating. Her sponsors were Mr. and Mrs. Harold Ebert.

Rev. Ben F. Day attended a meeting of the Senior-Hi Camp Deans this Monday afternoon at the Chicago Temple.

A daily vacation Bible school is being planned to be held beginning June 9 to June 20 with the Rev. Erich Bizer as dean. On Friday of this week at 2 p.m. a coaching and planning meeting will be held at Kankakee in the Evangelical church. The kindergarten department will be in charge of Mrs. Louis Ebert and the junior department with Mrs. Erich Bizer as leader. These two classes will be in St. Peter church. The Primary class with Mrs. Paul Lambrecht as leader and junior high with Mrs. Frank Heisner as leader, will be held in the Methodist church.

Registration for the school will go out to all children wishing to participate, immediately after Easter. This will be done thru the schools and churches in the vicinity. Any child may come to this daily vacation Bible school.

Mr. and Mrs. Emil Deist of Wilmington was Sunday dinner guests of Mr. and Mrs. Oran Deist.

The Trailway Girl Scout board of directors entertained the staff at a dinner this Wednesday evening at the Lincoln Heights restaurant.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Missionary society which was to have been held this Wednesday was postponed because of the death of their member, Miss Agnes Haley. The meeting will be held next Wednesday, March 26 at the same time in the nurse's home at Silver Cross hospital.

The regular meeting of the Marley Woman's club was held Thursday afternoon at the Homer town hall. The hostesses were Mrs. Charles Ingram and Mrs. Otto Moravec. Dessert coffee was served from a pretty table appointed with St. Patrick's Day motifs. The president, Mrs. Charles Elliott presided during the meeting. Rev. Ray Hamer spoke to the group on "Abraham Lincoln."

The Mothers club of the Homer school will sponsor a break fast in the Homer church Wednesday morning, March 26 at 9:30 o'clock. Tickets are available from members of the Mothers club.

Mr. and Mrs. Don Benn and family of Crystal Lawns evening of Mr. and Mrs. Fletcher Binion.

Mrs. John Hasibar entertained at a luncheon Tuesday. Guests were Mrs. Harold Mohnney, Mrs. Bruce Anderson, Mrs. Lewis Greenwalt, Mrs. Don Reid, Mrs. Victor Zaloudek, Mrs. Loren Sass and Mrs. Nick Kowaliuk.

Mr. and Mrs. Tom Huttenhoff and children of New Lenox were dinner guests Sunday of Mr. and Mrs. Clayton Cleveland.

Mrs. Albert Gee of Douglas, Arizona, is spending several days in the Louis Sass home.

Mrs. Glenn Peterson underwent major surgery Friday at Silver Cross hospital. She is improving nicely.

Price Kegley of Champaign

was a visitor of the Robert Sproats Sunday.

Mr. and Mrs. Fred Lauffer, Kenneth Lauffer and Mrs. Albert Gee of Arizona were dinner guests Friday evening in the home of Mr. and Mrs. LaVerne Lauffer in Joliet.

Mrs. Albert Gee of Arizona, spent Monday with her cousins, Mr. and Mrs. Charles Lauffer.

Taxes Higher At Orland Park; Up In Tinley Too

(CNS) The first south suburban tax rates issued by County Clerk Edward J. Barrett for 1957 those of Orland Township, had bad news for taxpayers.

Residents of the only two villages, Orland Park and Tinley Park, will pay from 19 to 99.6 cents per \$100 assessed valuation more than in 1956, and since both villages reduced their village levy, this means residents of the surrounding unincorporated areas will pay even more.

Tinley Park, in School District 140, had the smallest increase, from \$4.234 to \$4.424. The village's portion of this total rate dropped from 49.0 to 42.8 cents, while the school district dropped from \$1.75 to \$1.714. The addition of the Metropolitan Sanitary district rate of 32 cents where no rate was last year is the main reason for the rise.

Orland Park in School District 135, rose from \$4.058 to \$4.662, and in School District 136, from \$3.162 to \$4.158. The two school district rates rose respectively from \$1.45 to \$1.812 and from 55.4 cents to \$1.308.

Some advice for Husbands

When your wife gathers bits of colored paper, cloth and paint chips with a "do-it-now" glint in her eye...

1 DON'T leave home. It's sneaky, and won't change her mind.

2 DON'T try to be a "color" expert. It leads to trouble.

3 DON'T make a scene. It's futile.

DO give the lady your arm and lead her happily to the Color Carousel. It's that new, electro-mechanical marvel that gives your wife any paint color she wants, in seconds! They are paints of unsurpassed quality too:

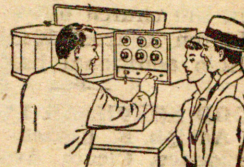

WALL COLORS: FLAT, SEMI-GLOSS, GLOSS
HOUSE PAINTS: DECORATIVE & FLOOR ENAMELS
Easy to apply, quick-drying, washable, virtually odor-free!

ALSO the great new Carousel water-thinned

Dries in 30 minutes to vellum, washable finish, with no painty odor. Covers wood, plaster, wallpaper and masonry.

See your paint colors made instantly before your eyes on the AUTOMATIC

COLOR CAROUSEL Mfd. by Standard-Toch Chemicals, Inc.

Business and Finance

By MAURICE P. ANGLAND

The well known Harvard university economist, Sumner H. Slichter, recently stated that

the current recession in business is not a general condition. He points out that trouble spots have been limited. They are, he says, in consumer durables, industrial building

and railroads and mining. He further points out that residential building, government purchases of goods and services, and the service industries, actually have been expanding rather than contracting.

According to Mr. Slichter, consumption has been operating at a faster pace than production and that the "recession" at the moment is an inventory recession. He states that he believes that the bottom has been seen and that next quarter will see a rise in total spending.

Mr. Slichter advises, however, that the government take action to make credit still easier, to step action on government contracts and to take precautions against the reversion of the Federal Reserve to "tight money" again, which discourages long term investment in plant and equipment.

He goes on further to advise against tax cuts and new public works projects are too slow in actual start of activities.

Consumer installment payments were at a very much better rate in January this year as against 1957 and 1956. Sales of automobiles and major appliances at a slower rate. New construction in February was 2 per cent. ahead of a year ago and gains made in residential building, public utilities, schools and highways.

This is an election year and politicians generally are greatly disturbed by changes in the business picture. The "ins" are usually blamed for any down

trend in business and they are always aware of the political axiom that "in order to become a statesman, you must first be elected." Politician interest is in current situations rather than long range or medium long range events. Many government moves will be and have been made to step up employment and business activity. The Federal Reserve expressed a fear of inflation and in late 1955 started tightening credit to halt this threat by steady reduction of ability of banks to loan money for plant expansion, home builders, and cities and towns with their desires to construct what they believe to be essential public works. Interest rates rose and this pressure was successful.

Now many economists believe that natural economic forces are correcting the excess of the expansion, but the election year political requirements are bringing about the likelihood of inflation rather than deflation.

The consumer index for January showed that the purchasing power of the dollar dropped 3.3 per cent in the last year and the trend of wages and prices does not indicate that the trend is other wise. It would appear that inflationary pressures have become a fixed part of our business cycle. Some commentators express the idea that the public simply will not tolerate cyclical corrections of business excesses regardless of the constant reduction in purchasing power of the dollar. This, of course, is of great interest to the investor.

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 5187

The next Green Garden PTA meeting will be held March 21 at 8 pm. in the Green Garden town hall. The program chairman has arranged for a panel discussion by members of the School Survey group. It is believed this will be of interest to all as taxpayers as well as in the role of parents. Those present will have an opportunity to ask questions about the recommendations that are being made for this school district. The survey was requested by our school board and has been conducted with the aid of a crew from the University of Illinois. Many of the PTA members have devoted a great deal of time to the work of this committee.

The PTA also is sponsoring

the third in a series of four skating parties on March 24 at the Monee rink at 7:30 pm. Proceeds will be used in the purchase of a piano for the school.

Mr. and Mrs. Paul Schrank and family of New Lenox, Mr. and Mrs. John Kuse and family and Mr. and Mrs. Henry Kuse and family visited with Mr. and Mrs. John Kuse Sr. Sunday afternoon in honor of the latter's birthday.

Mrs. Mary Bettenhausen entertained dinner guests at her home Sunday. Mr. and Mrs. Wesley Bettenhausen and children, Mrs. Christina Krapf and Jacob Krapf both of Manhattan. The event was in honor of the latter's 80th birthday anniversary.

Mr. and Mrs. Orlyn Borms and family of Tinley Park and Mr. and Mrs. Louis Bettenhausen and family of Blue Island, were dinner guests Sunday evening of Mr. and Mrs. Richard Borms.

The Junior Adults of St. Johns church are holding their next meeting on Friday evening, March 28 at 8 pm. at the church. Mr. and Mrs. Everett Buck and Mr. and Mrs. Ray Sippel are in charge of the panel discussion. Later refreshments will be served by Mr. and Mrs. Vernon Werner and

Mr. and Mrs. Donald Wilke.

Miss Kathryn Ullrich, a bride to be, was the honored guest

Sunday afternoon at a miscellaneous shower given for her in the village hall. The hostesses were Mrs. Howard Kline, Mrs. Warren Anderson, Mrs. Arthur Kampe, Mrs. Henry Schweisow and Mrs. Gilbert Schmuhl. Miss Ullrich was presented a white mum corsage upon her arrival.

Bunco was played at seven tables, with prizes awarded and duplicate prizes given the bride elect. Seated in a chair decorated in the bride's chosen colors of white and blue and an umbrella overhead in the same colors, the bride to be opened the many lovely gifts she received from the 35 guests who later were served a luncheon from

Girl Scouts

Girl scout troop 98 invested three new members at a ceremony March 12. The girls, invested by their leader, Mrs. Charlotte Sproat, were Jennifer Doering, Carolyn Farley and Jane Georgis. The meeting closed by the singing of Girl Scouts Together.

A party celebrating the 46th year of Girl Scouting was also enjoyed. Marjorie Knowles served refreshments.

The girls were commended on their excellent work of selling Girl Scout cookies. Donna Youngren is reporter for the group.

Second Child Study Club

Members of the Second Child Study club will hold their annual meeting with their husbands as guests, Thursday night March 27, at the Oakview school. Speaker will be Father Gervase Brinkman, Catholic chaplain at Stateville penitentiary, who will talk on Juvenile Delinquency. Those on the committee in charge of the affair are Mrs. William Clark, Jr., Mrs. Harold Youngren, Mrs. Norman Johnson, Mrs. Dale Krohn, and Mrs. Michael Orey.

Friendly Neighbors

Mrs. Kay Gougar entertained the members of the Friendly circle, March 13 at a potluck dinner, in her home. Table decorations were in keeping with St. Patrick's day. All members were present, and each brought a grab bag gift. Plans were made for a trip to Hinsdale on March 20, where the group will enjoy a dinner at the Spinning Wheel. Cars will leave New Lenox from the home of Mrs. Maude Hanneys at 10:30 a.m. The next meeting will be Thursday April 10 at the home of Mrs. Wilma Baldwin at which time there will be a white elephant sale.

Home Bureau Unit

Mrs. James McCure will entertain the members of the New Lenox unit of Will County Home Bureau, in her home on Oakview drive, Friday March 28, at a one o'clock luncheon. Mrs. Ernest Oram, cohostess, will assist. Mrs. John Francis will give the major lesson on Your Social Security. Mrs. Glenn Batson will give the minor lesson on Program Planning.

Toastmasters

New Lenox Toastmasters club met Monday in the auditorium of the Methodist Sunday school. Dinner was served by the WSCS of the church.

Toastmaster for the evening was William Heidrich, and topics for comment from the floor were given by Stanley Gilmore.

The following men presented prepared speeches: William Clark, "Three Dozen," Ernie Hoefer, "You Are Being Watched"; John Minion, "Some Statistics;" and William Wilson, "The Rule of Three."

Plans were completed for a Youth Night, to be held March 24.

Toastmasters is a self help group studying more effective speech. Visitors are invited to

the dinner meetings held on alternate Mondays in the New Lenox Methodist church.

Larry Cullison, son of Mr. and Mrs. Raymond P. Cullison, 24 Inner Court drive, New Lenox, was on tour last week with the Illinois Wesleyan university Collegiate choir on its annual cross country trek. The choir presented concerts in churches in New York, Washington, D. C. and other eastern cities. There are 41 members in the choir. Only the finest voices in the school are chosen so membership is considered quite an honor. The choir has made numerous appearances on TV and radio and is rated as one of the country's outstanding choral groups.

Carole Hammond, daughter of Mr. and Mrs. James Hammond, East Cooper st., a cornetist with the New Lenox grade school band, won a first rating, as soloist at the district band contest March 8 at Coal City. Carole's name was accidentally omitted from the list of winners taking part in the contest. She with the other first place winners will go to the State contest April 25 and 26 at Lewiston.

Homemakers

Members of the Homemakers unit of the local PTA met yesterday in the home of Mrs. John Rob on Woodlawn. Mrs. George Lyman assisted her in the serving of dessert coffee. The group spent the afternoon sewing, and enjoyed a talk on Insurance, given by a local insurance man Ronald Crisman.

Hostesses for the annual mission meeting of the Woman's League of Trinity Lutheran church, to be held in the church dining room Tuesday afternoon, March 25, will be Mrs. Alice Termuende, Mrs. Audrey Braun and Mrs. Gladys Dusek. Plans will be made for the annual Fashion show, with afternoon and evening showings, to be held in May; and the annual Spring luncheon with book review to be held April 29, at 1 o'clock in the church.

Birthday Celebration

Mr. and Mrs. Emil Reckemer, Wisconsin road, had as their guests for dinner Sunday, their daughters and sons, and their families, in celebration of Mr. Reckemer's birthday, which he observed St. Patrick's day. Those who came to help him celebrate were, Mr. and Mrs. Allen Bloomquist and family, Mr. and Mrs. George Sederook and family, Mr. and Mrs. Erwin Yunker and children, Mr. and Mrs. Emil Reckemer, Jr., and family of Orland Park; Mr. and Mrs. Arthur Reckemer and children of New Lenox.

PTA Honored Fathers

A large crowd attended the annual "Fathers Night" meeting of the local PTA held in the Haven school, March 11.

Mrs. Roy Minger presided and reports were given by Mrs. Mary Ann Mooney, and Mrs. Irwin Wolfinger.

Election of PTA officers for 1958-59 was held, as follows:

President, Walter Spiess; vice president, Mrs. Helen Bell; secretary, Mrs. Irene Rasmussen; treasurer, Mrs. Doris Cooper; delegates, Mrs. Jeanne Howard and Mrs. Jerry Jones, with alternates, Mrs. Mary Ann Mooney and Mrs. Gerry Handorf.

John Oster, superintendent, announced the school board election, and candidates. The program for the evening was centered around the Fathers, and a talent show was enjoyed. Mrs. Bell introduced the program and turned it over to the mistress of ceremonies, Mrs. Stewart Morrison, 4th grade teacher at Oakview school.

The talented fathers were, James Sampson, who entertained with a trumpet solo, accompanied at the piano by Miss Elsie Sampson; Mr. Sampson also played the harmonica; Larry Carlson gave a chalk talk, and a touch of magic; Gene Peters sang two solos, accompanied at the piano by Mrs. Edith Warning, and a dance team by Mrs. Mildred Minuth and Robert Schutte.

Director of the show was Mrs. Lewis Loebe.

A film "Building of the St. Lawrence Seaway" was shown thru the courtesy of the Caterpillar Tractor company.

Hostesses for the evening were the second grade mothers, who served refreshments from an attractive table, decorated in keeping with St. Patrick's day. The white cloth covered table was lined with a green center runner, and centered with a tinted green bouquet of carnations, with white candles at either end. Other decorations were carried out in the color scheme of green and white, and identification name cards were of green shamrocks, made by the second grade students.

Woman's Guild

Mrs. Catherine Dixon and Mrs. Ethel Heptig were co-hostesses at the meeting of the Woman's Guild of Grace Episcopal church, when they met last Thursday night in the home of Mrs. Marie Penn, Haven ave.

Plans were made to buy a new carpet for the church, and donations toward the purchase of same are being accepted by the treasurer, Mrs. Anna Parsons. Plans were completed for the bakery sale to be held Saturday, March 29 at 10:30 at the Hobby Fair cleaners, across from the New Lenox bank.

The annual election of officers for the coming year was held as follows: President, Mrs. Marie Penn; vice president, Mrs. Doris Book; secretary, Mrs. Hazel Pester; treasurer, Mrs. Anna Parsons.

The April meeting will be the

Riding Club and Horse Show

The monthly meeting of the New Lenox Riding club was held in the Lions Den Sunday, with 31 members and 25 guests present. The club invited the Peotone Prairie Riding club to the meeting, and to the white elephant sale held afterward. Coffee and doughnuts were served by the committee. Four new members joined the club at this meeting.

The 7th Horse show of the New Lenox Riding club was held Sunday at the Keith Line stables in Hinsdale. Results of the show were: Model class: English: 1. Cleda Olsen, on Ginger Playgirl; 2. D. E. Bourrie on Pinky; 3. Carolyn Bourrie on Smokey.

Western Model class: 1. Elaine Zaien, on Joes Gift; 2. Jean Friddle, on Rusty's Timber; 3. Sue Corcoran, on Flicka.

Parent Teachers Group

Miss Evelyn Diedrich will open her "Magic Suitcase" for members of the Lincoln-Way Parent Teachers group at the regular meeting April 9 in the recently completed school auditorium.

From her "Magic Suitcase" will appear such items as Oils and Creams for beauty, synthetic fabrics for comfort and style plastics and detergents for ease from household chores, and many other new and varied products. All of these products have one thing in common—everyone is made wholly or in part from Crude oil.

Miss Diedrich will appear thru the courtesy of the Standard Oil Co. and the American Petroleum Institute.

Also featured on the program will be several musical numbers by members of the high school chorus.

Mr. and Mrs. Clair Christian and children, Lester, Steven and Ruel Michalec visited with their oldest son, Dr. Richard Christian and family, at Madison, Wis., this past weekend. Dr. Christian is connected with the University of Wisconsin and the MURRA, on the project of building the particle accelerator.

Members of the Morning Circle of the Methodist church will meet for a 9 o'clock brunch Wednesday, March 26, at the home of Mrs. Walter Gougar, Jr. Mrs. Harlow Jensen will be co-hostess.

Mrs. Victor E. Dolan, 125 E. Second ave., underwent major surgery Saturday morning in Silver Cross hospital.

Mr. and Mrs. Ernest Jenkins, 125 Haven ave., are the parents of a 6 pound 12 ounce son born Tuesday afternoon, March 11, in St. Mary's hospital in Kankakee. The new arrival has been named Andrew Piatt, and had to remain at the hospital for a few more days. Mrs. Jenkins returned home Saturday.

Little Edwina Jenkins, daughter of Mr. and Mrs. Ernest Jenkins, 125 Haven ave., is spending two weeks in Eureka, with her aunt and uncle, Mr. and Mrs. Lyman Rhodes and family.

The first successful pre-fab brick house has been built by Structural Clay Products Research Foundation at Geneva, Ill.

The problem of unburned auto fuel is under study by General Motors in an attempt to save gas, improve fuel economy, and stop air pollution.

LINCOLN ESTATES

Mrs. Emil Wille
Frankfort 3161

Dr. Joseph Petnuch dentist at the Hedges clinic, spoke on "Dental Health" when the Ann Rutledge PTA met Monday evening, March 10. Carol Egress of Lincoln-Way high school gave a demonstration on "The Effects of Enzymes on the Teeth."

The business meeting opened with the pledge to the flag led by Calvert Heath, Jr. and followed by the reading of the PTA prayer by Mrs. George Kaehler. Mrs. Walter Neidringhaus, president, presided.

The new officers elected for the coming year are Calvert Heath, Jr., president, Mrs. John Tyler, vice president, Mrs. Donald Scates, secretary and Donald Ball, treasurer.

Mr. Heath and Mr. Ball will attend the Illinois PTA convention at Springfield in April.

Mr. George Kaehler gave a report on the Will County Area Council meeting held March 6 at Peotone.

The following volunteered to serve on a committee for the 8th grade banquet, Mrs. Donald Ball, Mrs. Charles Jones, Mrs. George Kaehler, Mrs. Walter Neidringhaus, Mrs. John Van Donk and Mrs. Robert Wheeler.

The movie "Excuse My Dust" starring Red Skelton, will be shown in the school Friday and Saturday, March 21 and 22. The public is invited.

Refreshments were served by Mrs. Calvert Heath, Jr., Mrs. Arvia Knapp, Mrs. Dwight Nicholson and Mrs. Donald Scates.

Wanda Martin won the spelling contest at Ann Rutledge and placed third in the sectional contest at Manhattan, March 10. Donald Hatz was an alternate.

Glenn Payne and Rosemary Ritt took part in an essay contest. Out of eleven other contestants, they were two of the winners. The title of the essays were "I am glad I am an American."

The teachers of the Lincoln-Way rural area had a meeting at the Cherry Hill school last Thursday. Mrs. Davidson, Mrs. Daugherty and Miss Boleman, teachers at Ann Rutledge, attended this meeting.

Mr. and Mrs. Wm. C. Davidson spent the weekend with the latter's sister, Mr. and Mrs. W. D. Ashton of Gary, Ind. They were also joined by another sister, Mrs. Leonard Guitart of St. Joe.

Frank M. Wesoloski, Republican Candidate for County Treasurer

Frank M. Wesoloski

Frank M. Wesoloski, a life-long Will County farmer and Supervisor of Wesley Township, Wilmington, Illinois, solicits your vote in the April 8 primary.

A director of many boards and civic organizations, he is well-known for his ability to fight for honesty and integrity.

Elect a man who has always been a statesman and not a politician. Your country and your county needs a man of his ability and character.

Bremen Heights Considers Merger With Neighbor

(CNS)—Residents of Bremen Heights are considering possible annexation by Crestwood, Oak Forest or Midlothian as an alternative to setting up their own government.

Meanwhile, their petition seeking an election for incorporation as the City of Bremen Heights is pending in county court where it was filed in January.

Attorney Fred G. Suria, representing the Bremen Heights Civic club, said the community is studying the possibility of being annexed by one of the three villages.

"The tax consequences, the people feel, is an important factor in determining where the community should go or do," Suria said. Also what services are available, such as water and sewers, he added in an interview with a reporter.

Pop.—1,600

If it is set up, the City of Bremen Heights would be bounded roughly by 143rd and 147th streets and Cicero and Kostner avenues. The area has a population of about 1,600, Suria said.

Walter Lenz, president of the Bremen Heights Civic club, has said the community's incorporation petition is a defensive measure to protect the unincorporated status of the area until residents decide what's best for them.

Midlothian and Oak Forest have annexed roads in the vicinity as "empire" building moves. The villages later could annex land adjoining the roads if they wish, altho the whole practice, known as corridor annexation, has been challenged in a lawsuit pending against Hickory Hills.

Corridor annexation is a method of uniting a municipality with a nonadjacent site by annexing roads joining the two areas.

Applying soil insecticides to cornfields before planting can increase plant stands an average of 7 per cent, according to University of Illinois research.

Law On The Farm

By JAMES J. ELSON
(Member of the Illinois Bar)

The buyer of an improved farm usually gets more than just the land itself. In sales of improved farms, the agreement between the buyer and seller controls the amount of property being transferred. If there is no such agreement, the law controls the sale.

Normally all permanent buildings are included in a sale of the land itself. Because these buildings are permanently attached to the land, they are considered to be part of the real estate. Thus farm houses, barns, cribs and other permanent farm buildings normally pass to the buyer of the farm.

Permanently attached articles other than buildings also pass to the purchaser. This includes most fences, concrete water tanks, concrete feeding floors, electrical wiring, pumps and water systems.

Other items legally called "fixtures" are more difficult to classify. A fixture is an article of personal property attached to the real property in such a way that it does not lose its separate identity. Whether such articles pass to the purchaser of the land or whether they may be removed by the seller is a difficult question.

The law has established several tests to determine whether such items are removable. First, can the fixture be removed without materially injuring the property to which it is attached? Second, what was the intention of the parties at the time it was affixed? If they intended that it should be removed,

able, the courts will go a long way in allowing its removal. Another test is whether the fixture is necessary in the use of the land. The last test is what is the custom and usage in the trade. Items that customarily are left as part of the real estate normally cannot be removed by the seller.

Fixtures that are usually not removable include storm windows, screens, hay carriers, built-in feed mills and grain elevators. Removable fixtures ordinarily include portable watering tanks, most shop tools and equipment and other semi-portable items.

It is advisable for the seller and the purchaser to list carefully in the sale agreement the items to be transferred.

Matteson Man Gets \$70,000 Judgment Against Railroad

(CNS)—A five day jury trial in Chicago ended with a \$70,000 judgement returned for Richard L. Rogge, 31, of Homan ave., Matteson, a part-time switchman injured in 1955 when he was struck by a locomotive.

Rogge had sued the Indiana Harbor Belt railroad for \$150,000 damages for back, leg and arm injuries he suffered while working in the Blue Island yards, 140th and Halsted streets on Oct. 30, 1955. He was struck by a locomotive. Rogge worked for the railroad only on week-ends.

COUNTRY CHARMS'

At the meeting of the Country Charms' 4-H club in the home of Miss Becky White last Wednesday evening, Susanne Burcham gave a talk on first aid; Bonnie Mlynarik demonstrated refrigerator Butterscotch cookies, which were judged by the members and Edna Burcham reported on hazard hunts in her home. The next meeting will be at the Northwest Homer fire barn, April 2. At this time each member is asked to bring branches from trees or shrubs which have been forced into early bloom, and which have been made into a flower arrangement or bouquet. Becky White will give a demonstration of "Funny Cakes" and Edna Mae will give a cookery talk.

Bonnie attended a meeting of the Will county "Five Year Room Plan" group the evening of March 11 in the Home Bureau conference room in Joliet. She was elected secretary at that time. The next meeting will be in the same place April 15 in cooperation with the room improvement training school.

On the evening of March 5, Becky, Bonnie, Susan Kenny, Judy Simmermon, and Gayle Meyer accompanied their 4-H leader, Mrs. Mabel Holloway and Mr. Holloway to a 4-H Rally in Manhattan, Enroute home Mrs. Holloway surprised the girls with a treat of popcorn balls, cookies and sodas.

On April 19, the Country Charms will enjoy a conducted tour of the Fitzgerald Furniture store in Joliet.

Death of Jacob Kolar

Jacob F. Kolar, aged 80, died in the home of his daughter, Mrs. Jacob Freehauf, Plainfield township, March 13, following several weeks of illness. He suffered a paralytic stroke Monday from which he failed to rally.

Funeral services were held Monday from the Gerharz Funeral home in Lemont to St. Alphonsus church, at 9:30 a.m. Burial was in the parish cemetery.

Born in Homer township he lived his early life there, attending Wells Corner school and engaging in farming, which was his life work. The greater part of his life was spent on his farm on route 66-A near Lemont. Since his wife's death he has spent much of his time in the Freehauf home. Besides Mrs. Freehauf he leaves another daughter, Mrs. Arthur Stafford of Plainfield; two sons, Walter of Homer township and Edward of Beecher; one brother, Frank, of Homer and two sisters Mrs. Kate Connell and Miss Jennie Kolar, both of Lockport; also 16 grandchildren and three

great grandchildren and many nieces and nephews.

Preceding him in death were his wife, the former Mary Wies of Homer, a son, Ralph, three sisters and one brother.

He was a loyal friend and neighbor, and was a former member of the Modern Woodmen.

John Konicek, 73, Killed In Auto Accident

Friends of the Konicek family were shocked at learning of the sudden tragic death of John Konicek, Sr., aged 73, following an automobile collision at route 66-A and 53 intersection, March 9. The driver of the other car, James Frank, aged 20, of Downers Grove was also killed. Each man was alone in his car.

Funeral services were held Wednesday at 10 a.m. in St. Alphonsus church, Lemont, with interment in the church cemetery.

His early life was spent in Homer township where he was at one time township collector; he was a member of the Modern Woodmen of America. Later he moved to DuPage township where he also held township offices, and since his wife's death has lived with his daughter in Lemont.

He is survived by a daughter, Mrs. Loretto Schultz of Lemont, three sons, John, Jr., Gordon and Earl, all of DuPage township, 10 grandchildren and one great grandchild; one brother, Peter, of Homer.

His wife was the former Catherine Freehauf.

The Missionary society will meet in the Homer church Thursday, March 27, with dessert-coffee being served promptly at one o'clock. Mrs. George Burcham and Mrs. Robert Burch will be the hostesses.

Mrs. Earl Burnworth is a patient in Silver Cross hospital suffering from a back injury which she sustained in a fall in her home on Bruce road last Wednesday.

Funeral services were held March 10 at the Goodale funeral chapel for Mrs. Louis Bockpolt (nee Edna Shepherd) aged 59, of Lockport. She has been ill for some time at the Oak Bluff nursing home where she died March 7. She was a sister of Robert Shepherd, Sr., of here. Other survivors are her husband and son, Robert, and several nieces and nephews.

Mrs. Beulah Raeside of Lockport has been substituting at 33-C, for Mrs. Honora Lahmann who was kept from school duties by the serious illness of her father, Edward Blum, of Joliet.

Mrs. Ira Anderson has returned from a few days' visit in the home of her daughter, Mrs. Joe Vancil and family at Downers Grove.

Sherman Reiter placed fourth in the State high school wrestling finals at Arlington Heights during the past week-end.

Billy Burcham entertained his friends, Leo Cleveland, Wally Janocz and Paul Filipowicz, at

a theatre party at the Roxy in Lockport Saturday, March 15, in honor of his eighth birthday.

The Marley Woman's club held their meeting at Homer town hall last Tuesday.

To date three candidates have filed for the two positions on 33-C school board. They are Russell Lauffer, Owen Ott, and Ted Czimer. Election will be held on April 12.

11 Reimburse Agent For Shortage In Rail Ticket Sales

Eleven honest regular riders on the Rock Island railroad, have reimbursed Tinley Park ticket agent George Jackson for monthly tickets inadvertently sold at the rate in effect before fares were increased Feb. 22.

Holders of ticket numbers 0, 19, 13, 3, 41, 44, 1, 33, 25; 5 and 6 have paid Jackson the difference of \$3.70. The ticket agent appeals to other holders of tickets to reimburse him for the difference or he will be held responsible for the deficit. Jackson sold 45 tickets.

400 Teachers Attend Institute At Carl Sandburg

Walter F. Fierke, superintendent of Tinley Park public schools was chairman of the committee of the Teacher's Institute held in Carl Sandburg High school Monday. Chairman elect was T. R. Birkhead, superintendent of Bremen Community High school.

More than 400 teachers of Bremen, Orland, Palos and Lemont townships attended the all-day Institute.

Noble J. Puffer, county superintendent of schools was the principal speaker at the morning session.

Letters To The Editor

(The following letter was addressed to R. E. King an official of the Rock Island railroad).
To the Editor:

I am a resident of Tinley Park, and have the unpleasant task of using your commuter service to the Loop daily.

In reading the Tinley Park Times, which I received yesterday, February 27, I ran across an article headed, "Station Agent, Asks Ticket Buyers to Come to Rescue." This article states that your ticket agent, George Jackson, erroneously sold monthly commutation tickets 0 to 44 at the old price of \$18.60 instead of the new price of \$22.30 which became effective Feb. 22, and if ticket holders do not reimburse Mr. Jackson for the difference of \$3.70, he will be held responsible for about \$162.00.

As a matter of information, I hold ticket No. 8, for which I paid \$18.60. If you can assure me that your railroad is so cheap that you force employees to pay for errors, I will be more than glad to reimburse Mr. Jackson the \$3.70 difference, but you can rest assured that I do not intend doing so until I am so advised.

I have been employed for some 34 years with my present company, and have made quite a number of errors, some of which cost my company money, I am sure, but never once have I been called upon to reimburse my company to the extent of their loss through my error.

One other thing I would like to know. Would Mr. Jackson have been reprimanded for selling commutation tickets on February 21 if they had been no change in price? If you advise me in the affirmative, my only answer would be that of our former great General Patton—"Nuts".

While I am taking the time to write this letter, I might also add a few remarks as to my opinion of your equipment and service.

First, as to equipment: Tell me, how do you keep it together? On Feb. 19 my wife and I rode train No. 173 to Blue Island, leaving Chicago at 10:44 p.m. Upon entering the coach my wife tripped over the loose flooring, and would have fallen had I not had hold of her arm.

As a general rule I use train No. 210 from Tinley Park at 7:08 a.m. in the morning, and train No. 217 from Chicago at 5:04 p.m. in the evening. The morning train consists of five

or less so-called new coaches and two old coaches. The new coaches are supposed to be air-conditioned. They are—hot air in the summer and cold air in the winter. Half the doors do not operate, and those that do have the rubber pulling loose, leaving a gap for the outside air to come in. The evening train consists of all old coaches, and boy when I say, "old" I mean "old". The windows are rusted shut, the window lifts have rusted off, and the overall condition is ridiculous.

Secondly, as to service: How do you arrive at the times shown in your timetables? Your timetable state, "Trains shown herein usually run on time, but the Company, etc., etc." I would suggest you change this phraseology to, "Trains shown herein never run on time, but it makes the company look good." This not a mere statement, but an actuality, because I kept a running record to train No. 217 for the entire month of March, 1957, and can show you, if you will call at my office, that this train was never on time at any station during that month. I might also add that this train is scheduled to arrive Tinley Park at 5:57 p.m. This train was inaugurated some three or four years ago, and it has never arrived Tinley Park at 5:57 p.m. Why doesn't someone get wise and either publish a realistic schedule or see that trains are run on time, at least once in awhile.

You claim you are losing about \$1,300,000 per year on suburban service. That must be from the parts that are falling off your trains along the road bed, or, maybe you are charging the entire operation of the Rock Island to suburban service so the figures will look good to the members of the Illinois Commerce Commission.

I have two suggestions to make if and when you should apply to the ICC for additional increases.

One, invite the ICC examiner to ride your suburban trains during rush hours for a month or so.

Two, discontinue your free-loaders (pass riders). I can see no legitimate reason why the railroads should give their product free to employees. Can you tell me of any other company that will give their product to an employee? Mine doesn't.

Before closing, I have one more question to ask. If the Burlington can make money with the superb service and excellent equipment, why can't the Rock Island with atrocious service and equipment that is falling apart? Could it be that the public is willing to pay for and utilize the railroad that

gives them something in return? I think so.

Yours very truly,
GEO. A. SMITH

Easter Services on Bald Knob Are Expected to Draw Throng

By JOHN W. ALLEN
(Southern Illinois University)

When Easter Sunday comes around soon, people will gather about three wooden crosses on top of Bald Knob, near Alto Pass in Union County, to hold a sunrise Easter service. These three wooden crosses and an unshaped, weathered stone marker that G. Don Coates and I found several miles within the Black Forest of Germany on Christmas day in 1918 are a long way separated, in both time and space. Both, however, were placed for one purpose; to serve as symbols of man's gratitude and devotion. Though forty years and many miles now separate first visits to them, thoughts of either shrine brings to mind the other.

The forest stone stood, and we trust still stands, in a dense wood near the mouth of a very narrow valley where a small spring emerges to join another stream coming down from the high hills to flow through Hubertesburg Farm and join the Rhine River about two miles below the quaint village of Leutesdorf, Germany.

This stone in the pathless woodland is similar to many other shrines, symbols, and memorials of religious intent found in that country.

Except for a front somewhat smoothed, the Rhineland marker was shapless. On this smooth side there was a sunken panel about 12 by 16 inches. A cross in this protected panel remained in sharp relief. The sloping ledges at its bottom and the face of the stone beneath it carried weathered inscriptions that were difficult to read.

The date, 1697, just 221 years before our visit, was distinct. Enough other words were legible to tell that the stone had been placed there as an expression of man's thanks to God for blessings received and to voice a plea for their continuance. Two Marines, with something like a feeling of reverence, paused for a time beside the old marker and returned later to photograph it. A kindred feeling is aroused when a visit is made to the top of Bald Knob in southern Illinois, where we find three crude crosses. Despite the fact that these crosses have been in their places for 21 years, they are new, newer by 240 years than the stone marker in the Black Forest. Anything like the full story of the stone marker is, without doubt, lost forever. The story of the crosses on Bald Knob still is fresh.

1,000 Feet High

These three crosses on the eastern brink of the mountain, for Bald Knob is more than 1,000 feet high and may properly be called a mountain, were placed there through the efforts of Waymas Presley and Rev. William Lirely. The decision to erect them resulted from a conversation between these two men as they walked homeward from services at a rural Union County church in the very early spring of 1937.

Two or three Sundays later the first Easter-sunrise services were held on the top of Bald Knob with about 250 present. They have been held regularly since that time. Attendance has varied, depending somewhat upon weather and road conditions. On some occasions as many as 10,000 have been present and nationally known religious leaders have come to participate in the services. The first group of worshipers came from the nearby countryside. Many now come a hundred miles or more. A good roadway that affords easy access to the rugged hill top has replaced the rough one of earlier days.

Those attending now sit or stand on the sharp slope below the crosses and above the platform on which the choir is gathered. In this natural amphitheatre they face the east and as the day dawns and the services progress they see the sun rise over the distant hills. It is impressive, and those coming primarily out of curiosity soon cease to be mere sight-seers and become worshipers. From the dream of two men 21 years ago this unusual manner of Easter observance has arisen. There are definite indications

available as work progresses.

The one criticism heard comes in the form of a question. "How can they justify the expenditure of that much money to erect a memorial?" To this there is the reply "The canvas on which was painted the Alba Madonna, that once sold for \$1,100,000, would hardly be enough to make a rain cape. The paint and wear on the brushes used in making the painting would add a few more dollars. The balance is an intangible asset that only those blind to the beauty and significance of the great painting fail to see." Also, the 261 year old marker in the Black Forest of Germany would make a ton or two of crushed stone for a road-way.

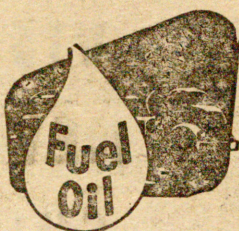

that it may become a timeless event, as have some of the passion plays and religious pageants long observed at various places in Europe.

Gather Memorial Fund

It was not until 1951 when the Bald Knob Christian Foundation was incorporated as a non-profit organization that steps were taken to make the top of the mountain into a permanent memorial garden or shrine. A tract of land including the eighty acres which Harrison Rendleman bought from the United States on Aug. 31, 1870 and settled, were deeded to this foundation on March 18, 1953. Shortly thereafter plans were made for the erection of suitable structures and the process of gathering funds was begun.

Sufficient money to complete the program planned has not been collected. Perhaps there are enough funds available to warrant the beginning of work this spring. There is a calm faith that resources necessary to complete it will become

Brotherhood Not Possible Without God

By BISHOP FULTON J. SHEEN
(Paulist Feature Service)

One of the greatest paradoxes of our times is that while mankind has drawn closer and closer mechanically, it has grown further and further apart spiritually. Radio, telephone, television and many other things have pulled men together spatially, but at a moment when men have lost all common ideals and purposes.

The explanation is simple: We have lost the unifying bond of the spiritual. A scientist can

bring together in his laboratory every chemical constituent of the human body, but he cannot make a man. What these chemicals are without a soul, that our civilization is without God. The wildest fallacy of modern times lies in the attempt to create a brotherhood of man without the Fatherhood of God.

As a nation we give much in foreign aid each year. Individually we are constantly being exhorted to think of others, to aid others with our money, our time, and our strength. But we will not grow any closer to the people we help unless someone explains why we should help our neighbor.

Is it because he is of the same nation, the same class, the same race that we are? Should we help him because we will receive something in return? None of these reasons are sufficient.

Only a spiritual explanation

will satisfy us. Only when we recognize the dignity of human nature itself—created by a loving God and destined for an ineffable union of love with Him—will we find an adequate basis for loving one another.

Besides this, we must love our neighbor because the Son of God died for him, and because the Son of God has commanded us: 'Love one another, as I have loved you'. As she spokes of a wheel are united because they all center in the hub, so we can be united only in our center who is God.

The world is one because it was made by one Lord and is governed by Him. Unity of men can be established not on the basis of class or race, which divides us, but only on the basis of religion.

We must recognize God as our creator and fulfill our duties both to God and to our fellow creatures. One love of

God is inseparable from our love of neighbor. As St. John said: 'If anyone says, 'I love God,' and hates his brother, he is a liar. For how can he who does not love his brother, whom he sees, love God, whom he does not see?'

There will never be any true brotherhood until we all learn to pray, 'Our Father, Who art in heaven . . .'

Would Send Low Producing Cows to Block

Every dairy farmer in Illinois can learn how efficient his dairy enterprise was last year by finding the average production per cow in his herd.

To find the average, divide

the total pounds of milk or butterfat sold by the average number of cows, suggests J. G. Cash, extension dairy specialist at the University of Illinois College of Agriculture.

Average break-even point for Guernsey and Jersey herds is about 5,000 pounds of milk or 250 pounds of butterfat per cow per year. For cows of the lower testing breeds, it is about 7,000 pounds of milk or 250 pounds of butterfat.

Even though the herd average may be above the break-even point, there is always the possibility that some individual cows are low producers. They should be found and culled. Each county farm adviser has complete information about the record-keeping systems that are available to dairymen in his county.
